

Quantibly

Data. [Action](#). Impact.

Why did we build a SaaS solution?

5B

People depend on the
social sector

14.5M

Organizations provide services
around the world

88%

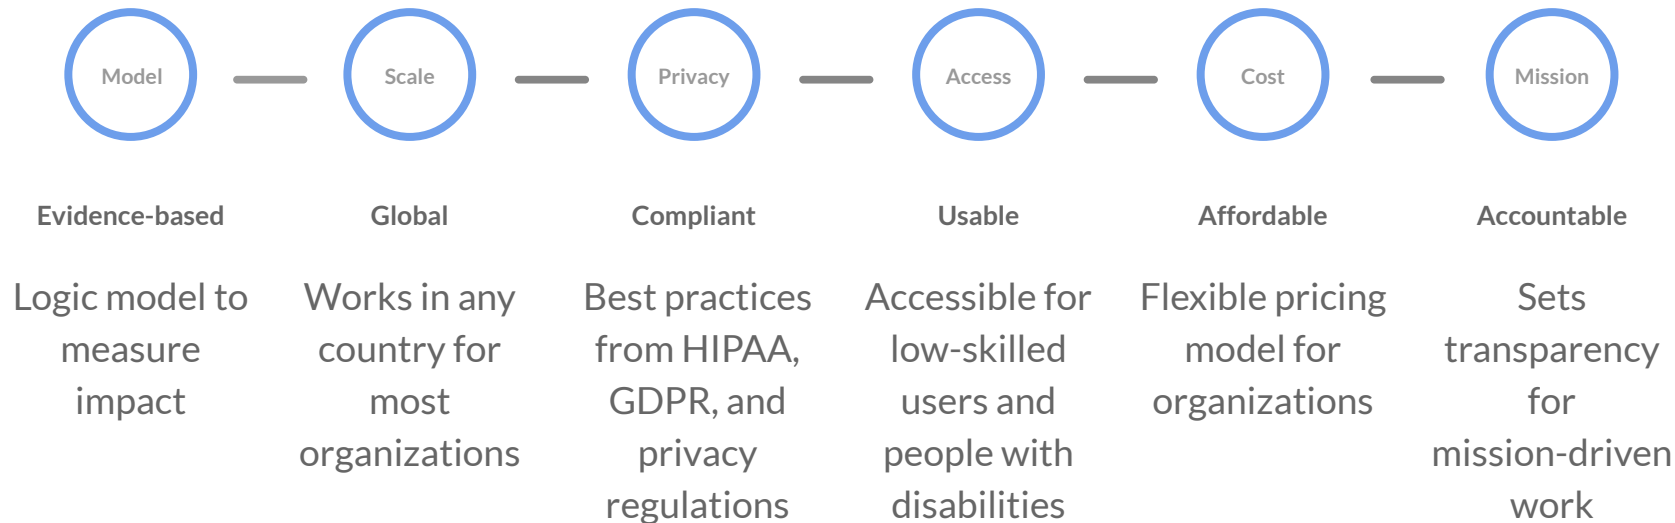

Lacks data collection and
impact measurement tools

Why Quantibly?

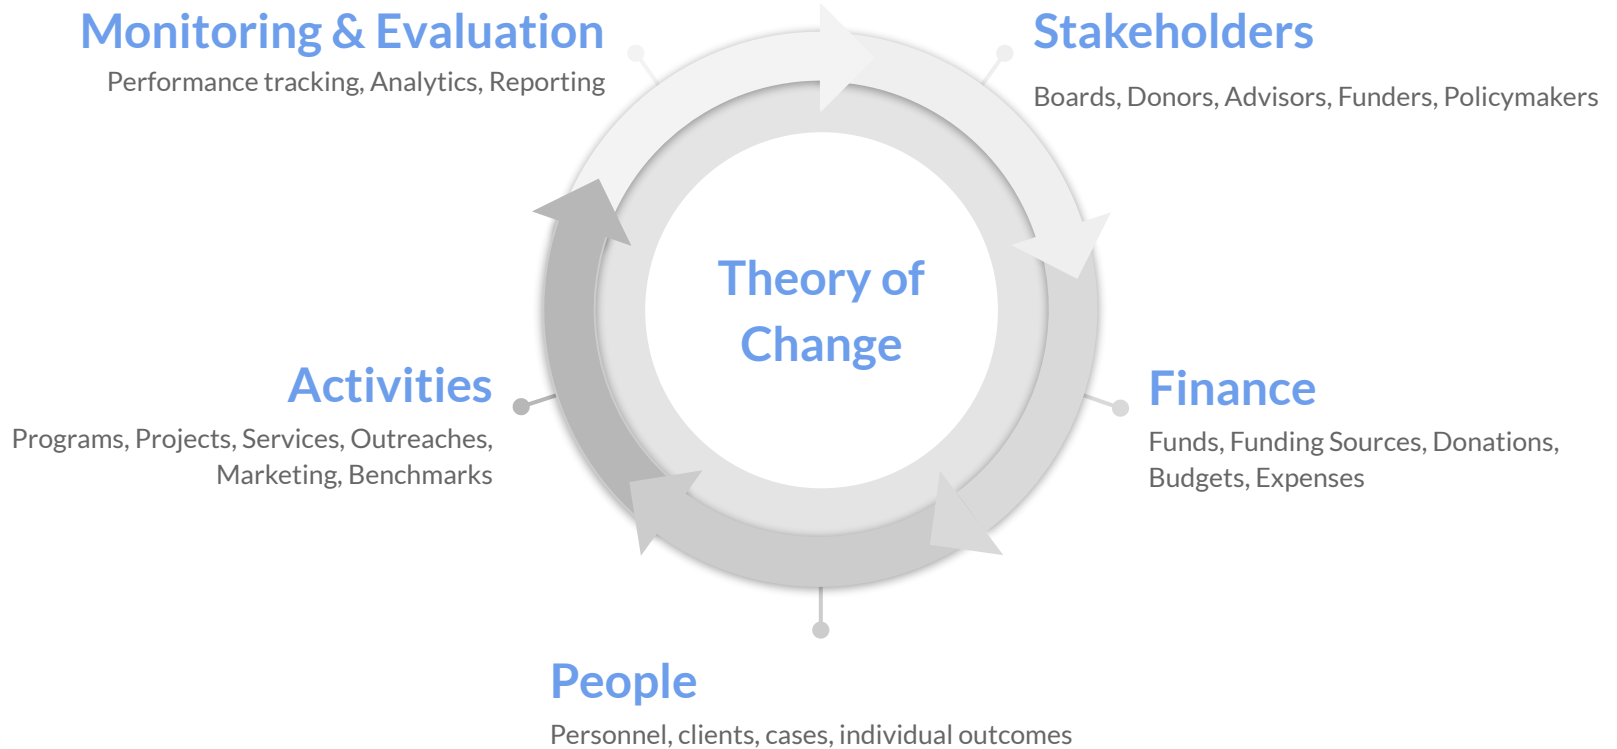

Quantibly is a scalable solution for the global social sector to collect, analyze, and report their data.

We change the way organizations serve people around the world, be accountable, and forecast needs before they happen.

Why are we different

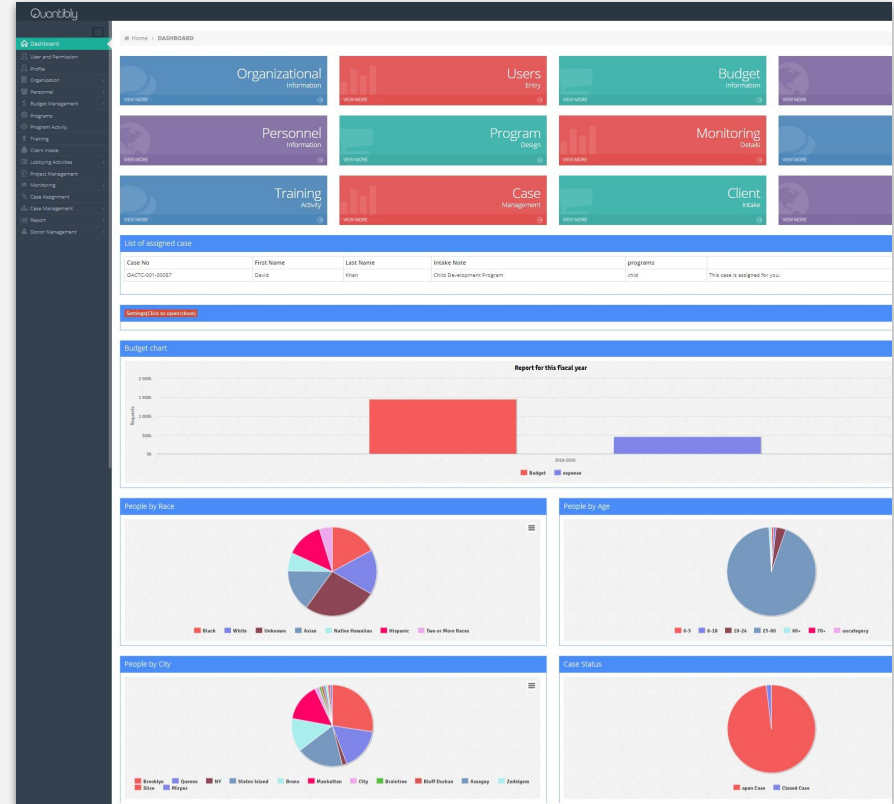

How?

What does Quantibly look like?

Performance metrics

Real time metrics and data trends on a customizable dashboard

Theory of Change

Define your “Logic Framework” and performance benchmarks

The screenshot displays the 'Add Program' form in the Quantibly application. The interface includes a sidebar menu on the left with categories like Configuration, User And Permission, Department, Program, Designation, Special Accommodation, and Permission Template. The main content area is titled 'Add Program' and contains several sections: 'Program Info', 'Logic Model', and 'Personnel'. The 'Logic Model' section is expanded, showing a list of items: 'Input', 'Activities', 'Output', 'Measure Of Achievement', and 'Outcomes'. Each item has a dropdown arrow to its right. At the bottom of the 'Logic Model' section, there are two buttons: 'X CANCEL' and '+ ADD PROGRAM'. The 'Personnel' section is also visible below the 'Logic Model' section.

Budget Management

Create and manage your organizational and programmatic budget and expenses

The screenshot displays the Quantibly Master Budget interface. The sidebar on the left contains a menu with the following items: Dashboard, Configuration, Organization, Personnel, Budget (selected), Line Item, Master Budget, Program Budget, Expense, Projects, Client Intake, Case Management, Training, Program Activity, and Monitoring. The main content area is titled "Master Budget" and shows a selected fiscal year of 2020-2021 with a total amount of 100,000. A "SHOW DETAILS" button is located in the top right corner. The table below lists various budget categories with their allocated percentages and amounts, and an "ALLOCATE" or "RE-ALLOCATE" button for each.

Category	Allocated Percentage	Allocated amount	Action
Administration	0	0	ALLOCATE
Adult Education	0	0	ALLOCATE
Advocacy	20	20000	RE-ALLOCATE
Child Development Program	0	0	ALLOCATE
Children welfare	0	0	ALLOCATE
Customer Services			

Client Management

— Customize your data collection needs and collect client data from anywhere.

The screenshot shows the 'Add Client' form in the Quantibly application. The interface has a dark blue header with the 'Quantibly' logo and a search bar. A left sidebar contains a navigation menu with icons and labels for various sections: Dashboard, Configuration, Organization, Personnel, Budget, Line Item, Master Budget, Program Budget, Expense, Projects, Client Intake, Case Management, Training, Program Activity, and Monitoring. The main content area is titled 'Add Client' and features a list of sections: General Info, Problems, Service Needed, Demographic, Socio-Economic, and Legal History, each with a dropdown arrow. At the bottom of the form are two buttons: 'CANCEL' and '+ SAVE & CONTINUE TO CASE MANAGEMENT'.

This is a partial screenshot of the Quantibly interface, showing a list of items with checkboxes and a plus icon for adding new entries.

Monitor your progress

Monitor your finances, teams, and programs, and identify cost-benefits of providing services.

The screenshot shows the Quantibly iQuantile Program Monitoring dashboard. The interface includes a sidebar with navigation options: Dashboard, Configuration, Organization, Personnel, Budget, Projects, Client Intake, Case Management, Training, Program Activity, Monitoring (expanded), Financial Monitoring, Personnel Monitoring, and Program Monitoring (selected). The main content area is titled "Program Monitoring" and displays filters for "Select Fiscal Year" (2019 - 2020) and "Select Program/Department" (Child Development Program). A search bar is present. Below the filters, a heading reads "Displaying Result For Program Child Development Program". A table shows the following data:

Topic	Count
Number of Personnel in this Program	0
Total Number of cases this period	0
Number of active cases	0
Number of closed cases	0

The screenshot shows the Quantibly iQuantile Financial Monitoring dashboard. The interface includes a sidebar with navigation options: Dashboard, Configuration, Organization, Personnel, Budget, Projects, Client Intake, Case Management, Training, Program Activity, Monitoring (expanded), Financial Monitoring (selected), Personnel Monitoring, and Program Monitoring. The main content area is titled "Financial Monitoring" and displays filters for "Select Fiscal Year" (2019 - 2020) and "Select Program/Department" (Child Development Program). A search bar is present. Below the filters, a heading reads "Displaying Result For Program Child Development Program". A table shows the following data:

Topic	Count
Number of Personnel in this Program	0
Total Number of cases this period	0
Number of active cases	0
Number of closed cases	0
