

Quickly and easily connect with candidates wherever they are

Take advantage of the best mix of applicant tracking system tools so you can hire faster, more effectively, and save money in the process. With JazzHR Post, you can organize all of your sourcing activities into one centralized platform that's purpose-built to compliment your recruiting and hiring style.

A simple solution to post jobs online and screen resumes:

Post jobs once, publish everywhere

Syndicate to free job boards, paid job boards, and popular social media channels.

Showcase your company's culture

Entice candidates to apply by showcasing why your company is a great place to work.

Screen resumes from anywhere

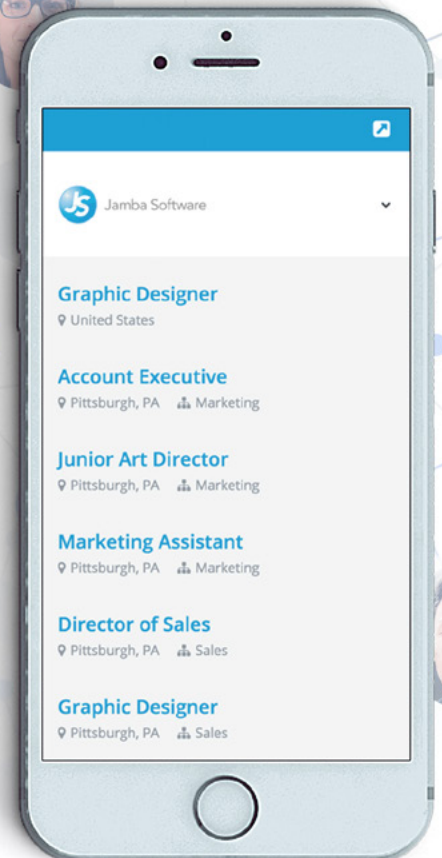

Mobile accessibility gives you the flexibility to view resumes while on-the-go.
