

TIME & ATTENDANCE

DATABASICS' Time & Attendance is a powerful tool for streamlining processes, gaining control & compliance and increasing visibility. Included as part of the **DATABASICS** Time & Expense offering, this global, mobile solution integrates into your existing ecosystem of business applications.

DATABASICS is the answer to all your time & attendance needs. Tracking billable hours towards a project and/or clients is essential for any company's bottom line. Measuring time your way—by the second or by the hour—goes beyond best management practices. Compliance is simpler. Labor costs are controlled. Productivity goes way up.

DATABASICS delivers on your most demanding requirements:

BETTER USABILITY

- Requires no special training
- Simple Start/Stop module
- Timesheet entry is intuitive & fast
- Real-time Clock In/Clock Out buttons
- Use in a shared workstation device

BETTER PROCESSES

- Multi-tiered approval workflows
- Simplify leave management
- Automatically validates against policy
- Employees and admins get automatic notifications

BETTER COMPLIANCE

- Enforce company policies

DATABASICS TIMESHEETS

DATABASICS TIME | MOBILE CLOCK IN/OUT

“ Our web application allows real-time visibility and is reliable and easy to use for end-users, management and administrators. Thanks to the DATABASICS Leave Management solution, we have gained efficiency in on-boarding, status change management and separation for our staff, as well as the annual carryover event, freeing up H/R and Payroll resources to focus on higher value tasks. ”

T.G., FINANCE DIRECTOR | NATIONAL QUALITY FORUM

DATABASICS delivers time and leave tracking, expense reporting, and employee purchasing management solutions that lead the industry in value, performance, and adaptability. Integrations are offered for major accounting, payroll, and HR providers. DATABASICS' customers range from regional businesses and nonprofits to global enterprises.
