

# GREAT CONFERENCES START HERE

## CATALYST<sup>®</sup>

Abstract and Speaker  
Management Software

*Collect, review, manage and  
schedule session content*

### DIGITAL CONTENT & EVENT SCHEDULE

A more user-friendly way to search, access and display your program schedule and session content

### PRINTED MATERIALS

Working with a printer who specializes in conference materials makes all the difference

### MOBILE EVENT APP

Increase attendee engagement and provide on-site access to content

From the first speaker submission to final event materials, **we make it easier to deliver education.**

Omnipress is more than an event technology provider and conference printer. For over 40 years we've helped meeting planners source, select and produce the high-quality content attendees expect, in the formats they prefer.

**LET'S MAKE  
THINGS EASIER  
FOR YOUR NEXT  
CONFERENCE.**
