

Managing a field force is challenging.

But not with Unolo.

01

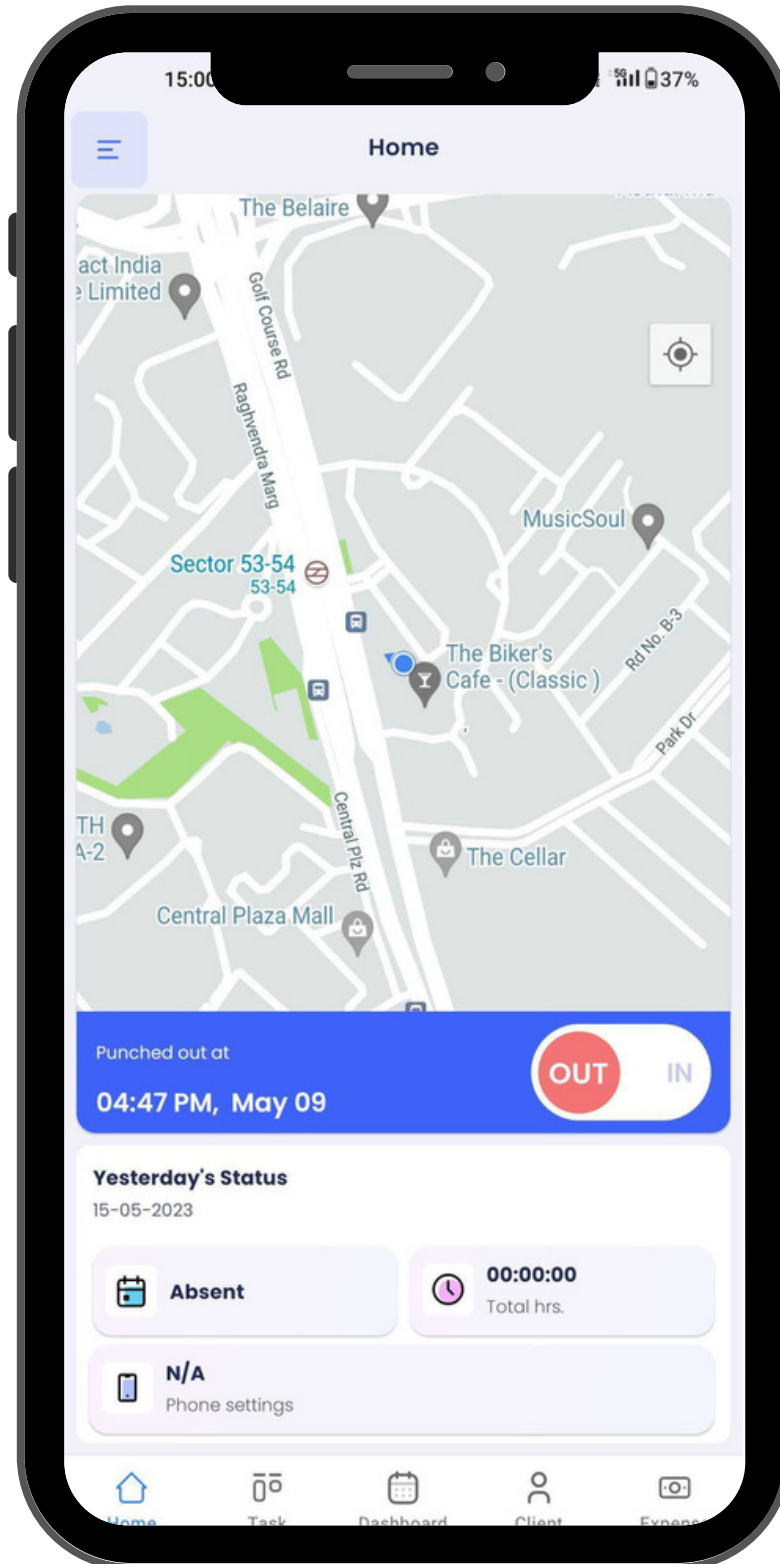

LOCATION TRACKING

Monitor the location and movement of your field team with unparalleled accuracy and reliability.

03

EXPENSE MANAGEMENT

Track, manage & process expenses swiftly with Unolo. Create your custom approval strategy.

02

ATTENDANCE

One simple dashboard that shows who is working, on leave, or who has not shown up for work.

04

TASKS

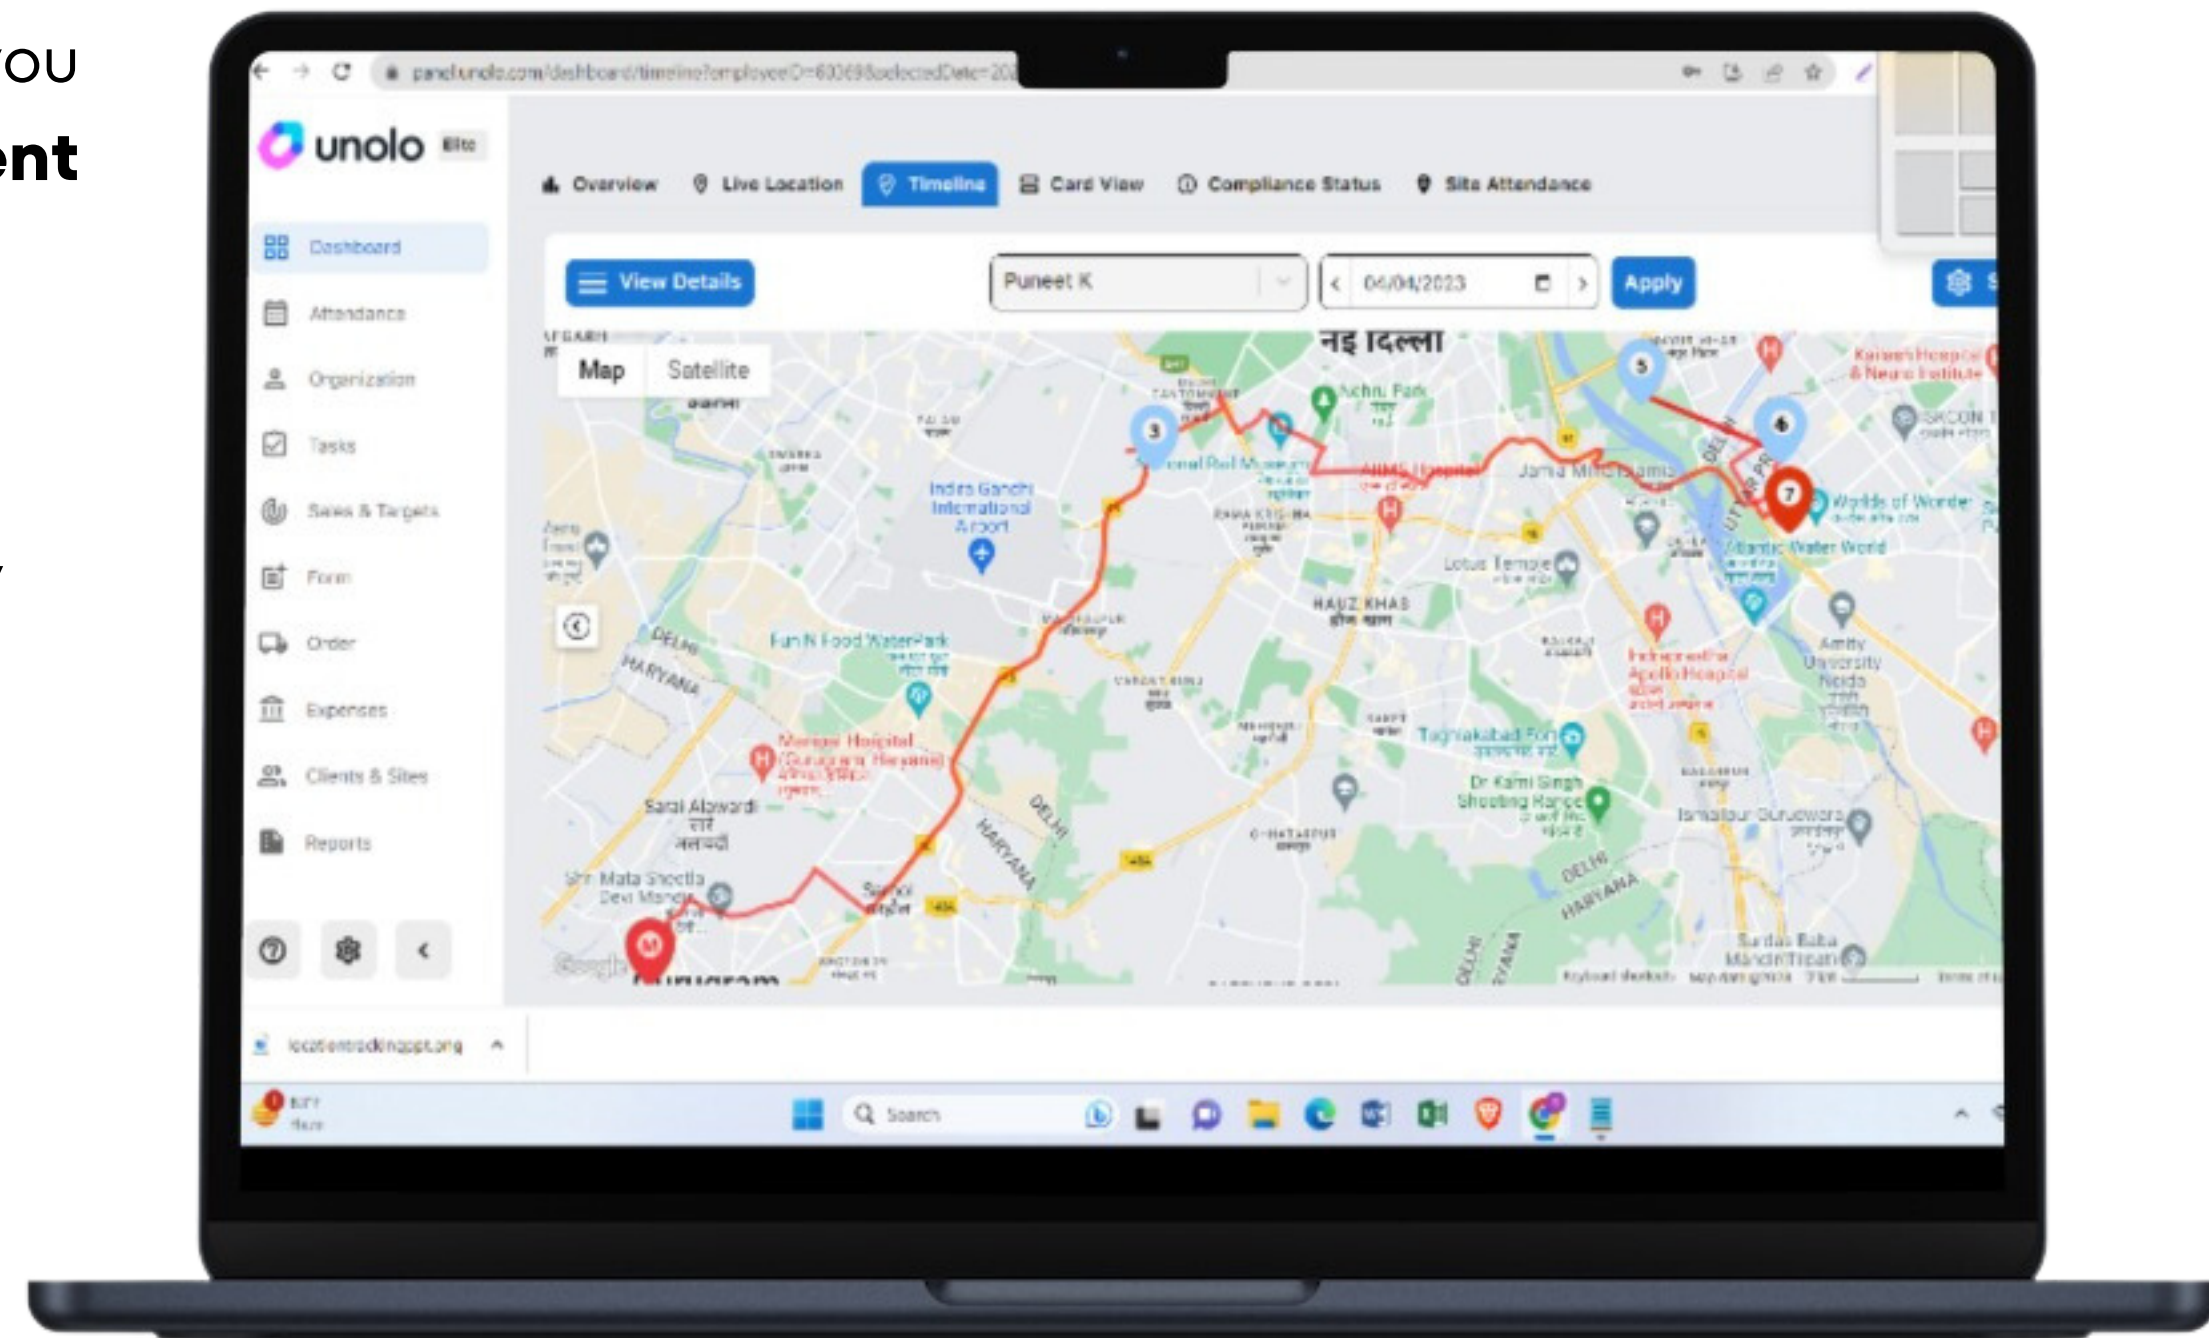

Plan the most optimal day for your field executive with Unolo. Assign tasks, clients and collect data that's important to you.

Live Location Tracking

With unparalleled accuracy and reliability, you can **monitor the location and movement of your field team.**

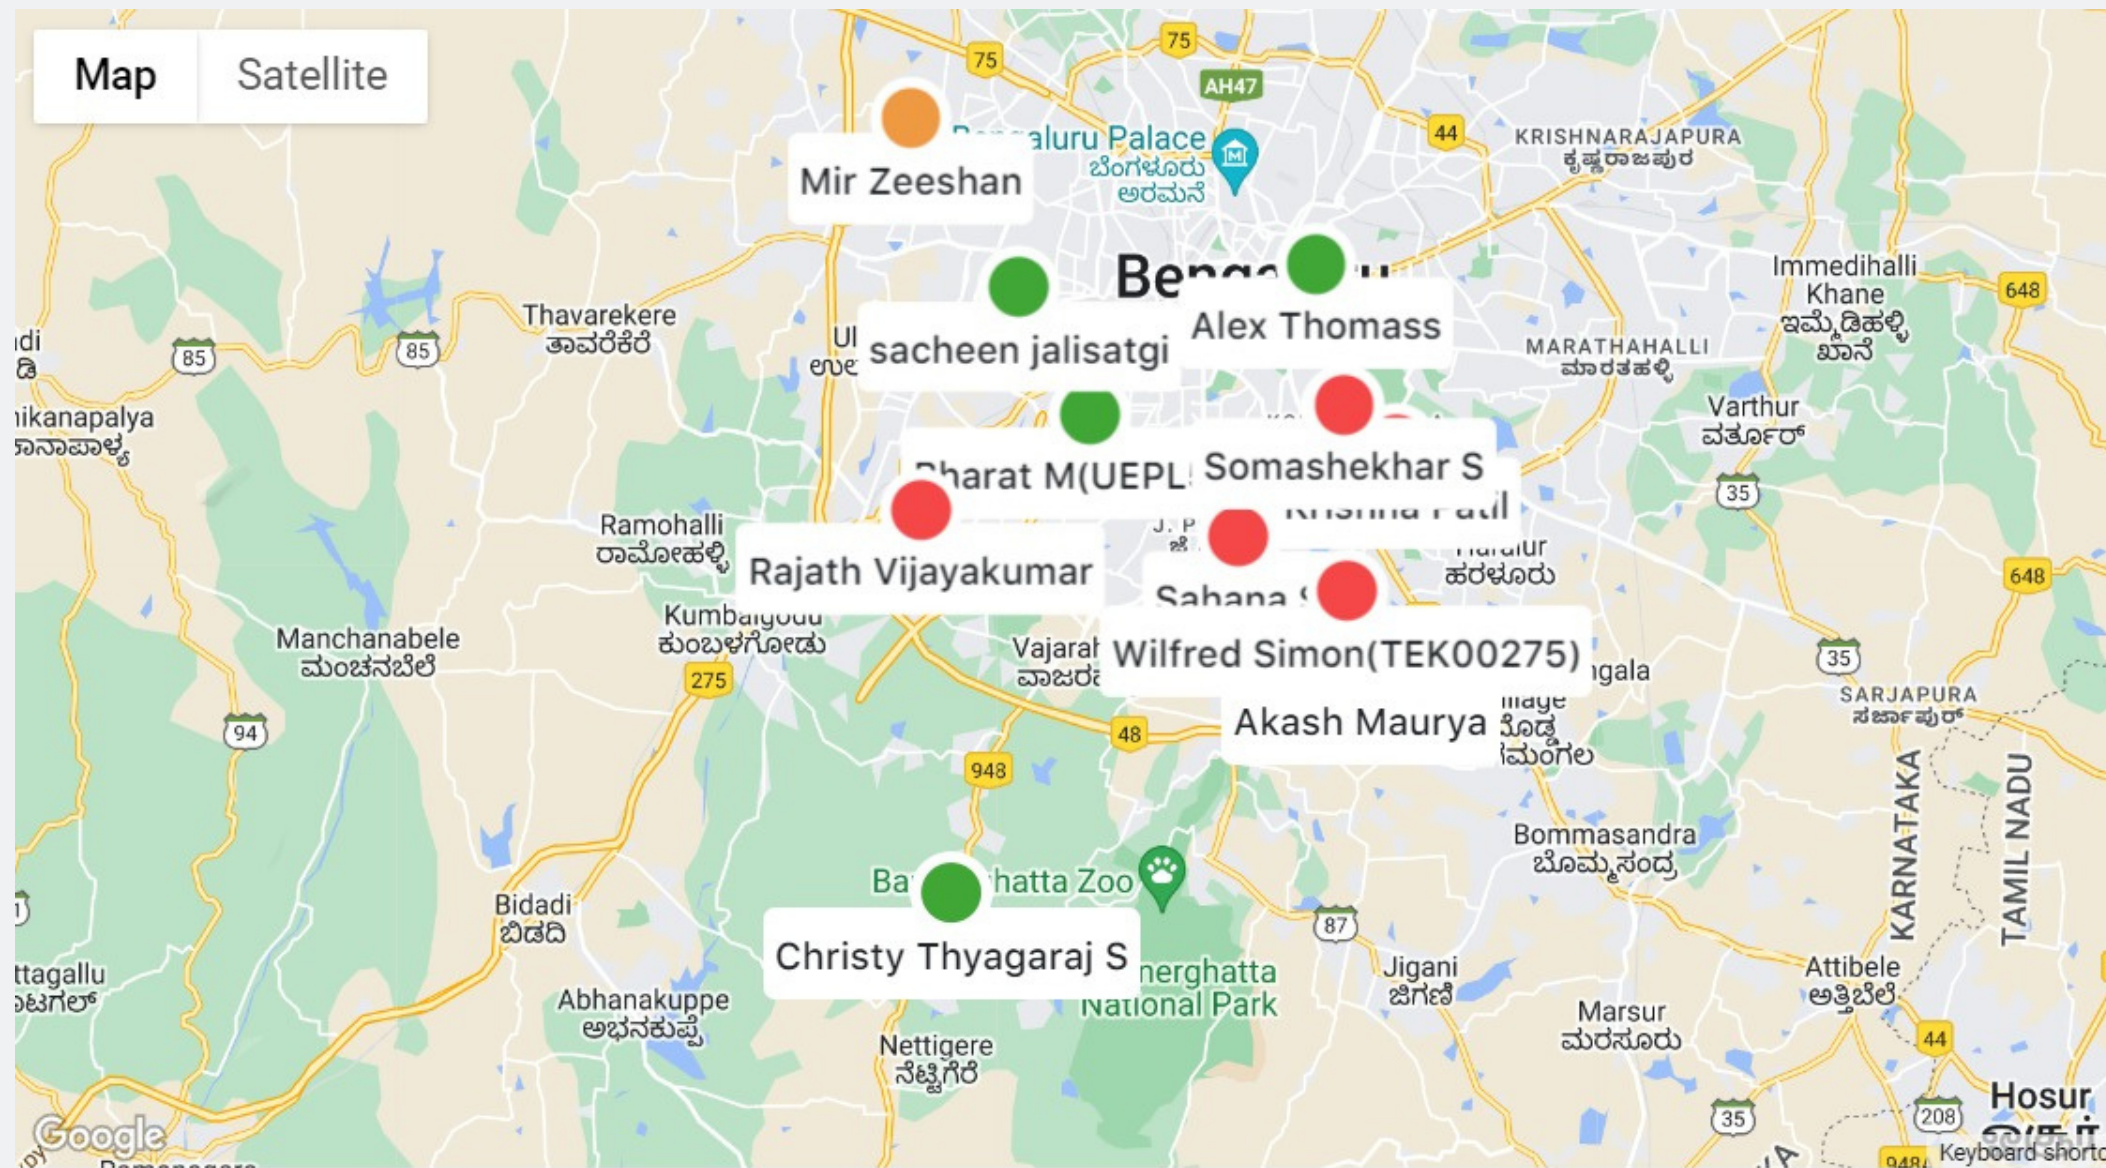

Know **how much they have travelled** with 95% accuracy with our proprietary distance calculation algorithm.

Review the timeline of your field team members to know where they have been and what they have been doing.

Dashboard

198 All Employee 62 Punched In 119 Punched Out 17 In Active 0 On Leave 0 Weekly Off

Abhijeet Parishwadkar 918792238588 76%
Punched IN : Today at 8:46 AM
Location: Bhagyanagar 4th Cross, Bhagya Nagar...

Expense Management

Verify the total distance travelled by your field executives and process their claims in a few seconds.

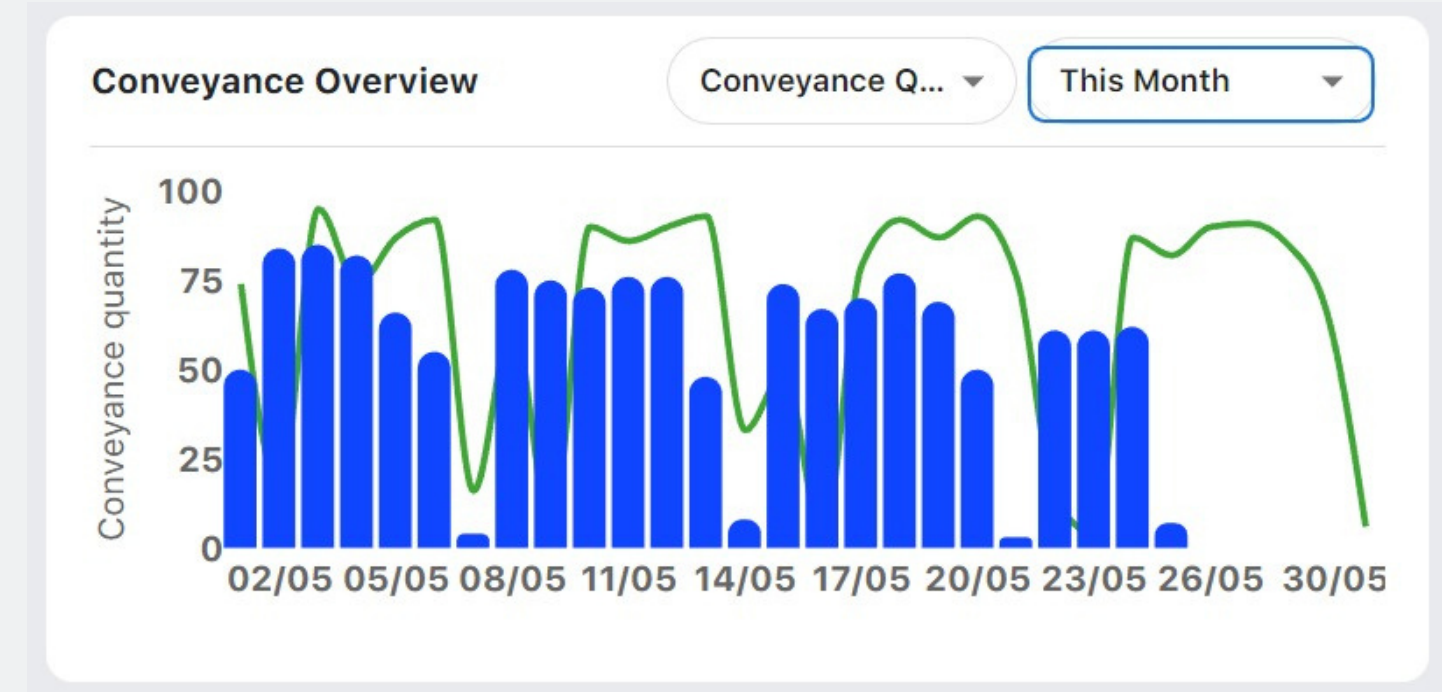

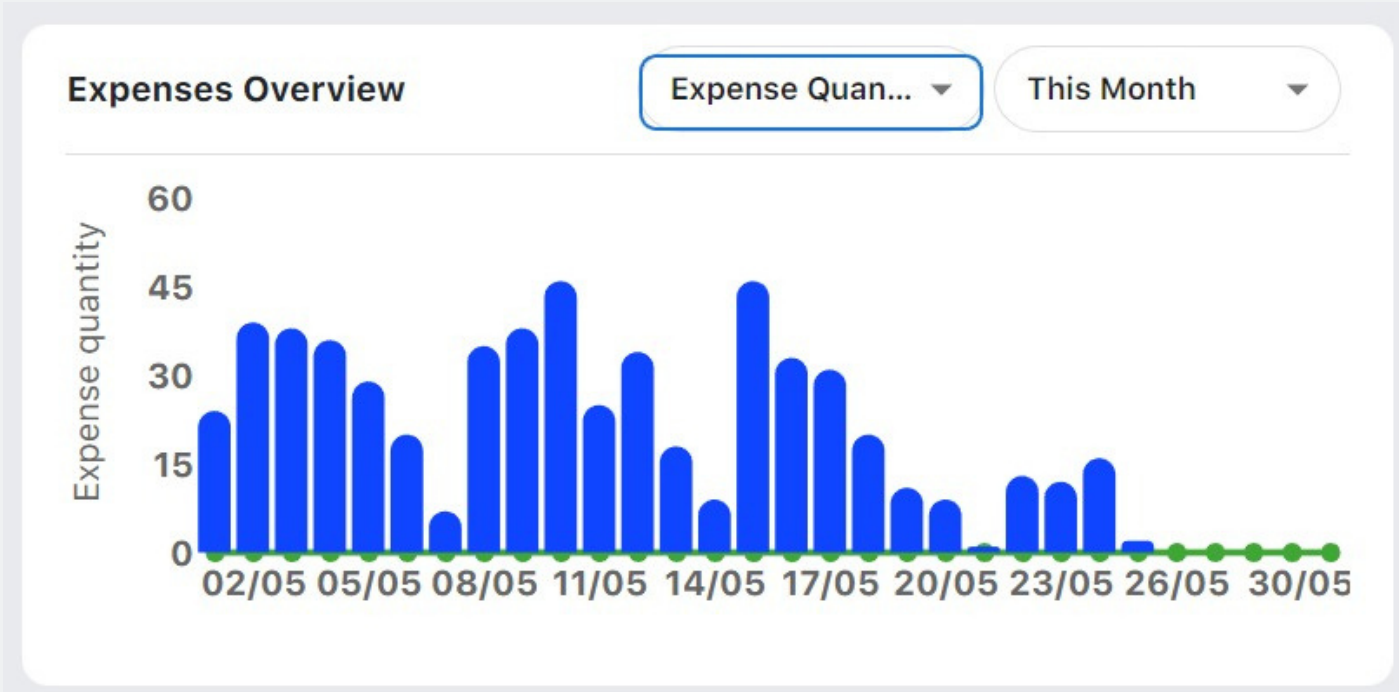

Employees **submit claims & evidence directly from the app**. Create a multi-level approval hierarchy to process claims.

Unolo can capture **odometer readings** & turn them into claims automatically.

Automated conveyance and expense reports to ease your reimbursement process.

Client Overview

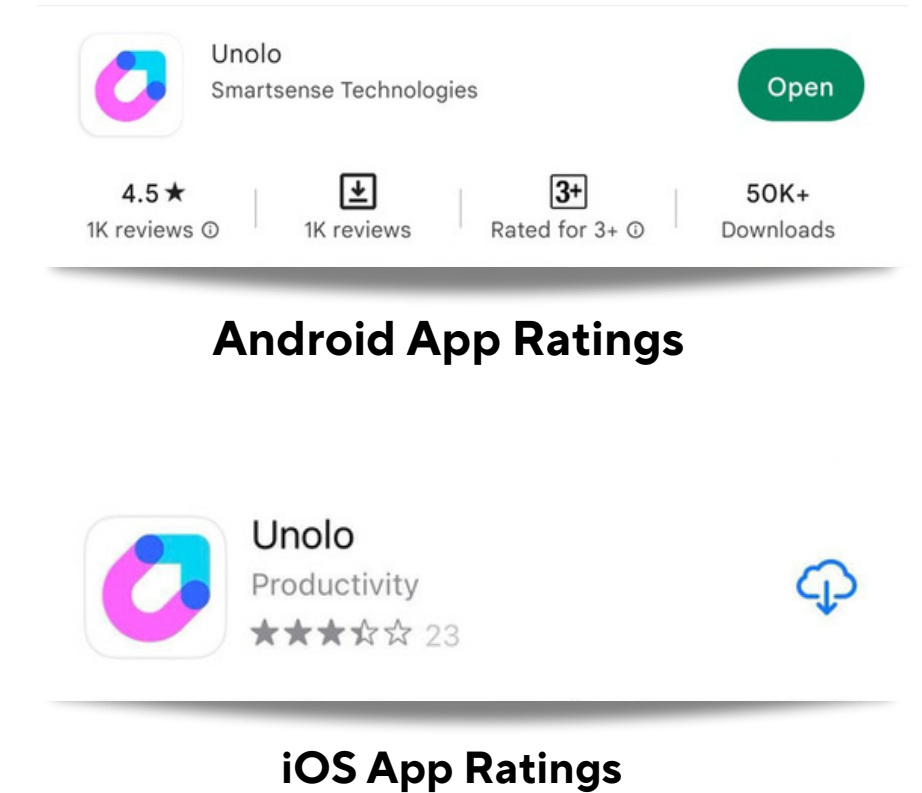

Our Clients Love Us

Trusted by 1000+ companies. Used by more than 50,000+ field employees.

Unolo is the top-rated field force management software that enables you to increase productivity and streamline operations. With features such as GPS employee tracking, sales tracking, location-based attendance, geo-verified client visits and intuitive dashboards, Unolo fully automates your workflow in just 10 minutes.

Client Testimonials

Unolo's employee location tracking is amazing! It's so easy to keep track of where my employees are and ensure they're working where they should be. The interface is user-friendly and we can access it from anywhere.

Dainik Bhaskar

Managing our team has been a breeze since we started using Unolo. It has helped us stay connected with our team around the clock and keep a track of tasks completed and pending. It's simply amazing!
