

Swag management made **easy**.

Printfection's swag management platform empowers your entire team to create, store, and send amazing swag.

Refresh your stale items. Trade the swag closet for a fulfillment center. And send at-scale with integrated ROI tracking.

ELEVATED SWAG

Find creative items everyone loves. Browse our curated catalog or get personalized suggestions from our sourcing team. Free samples and printed proofs ensure quality. From Patagonia jackets to Yeti mugs to t-shirts, we've got you covered.

SEAMLESS LOGISTICS

Don't just print cool swag — centralize your merchandise in our warehouse, and let us manage the kitting, packing and shipping.

INTEGRATED SWAG CAMPAIGNS

Our flexible platform helps you execute a wide variety of swag programs with the right tools for the job. Giveaway automation; event dropshipping; internal swag order and approval portals; and integration with your tech stack.

Handle all your teams' swag

Create welcome kits, new hire & anniversary gifts, and branded gear for sales prospecting.

Easy-to-use Platform

Track your inventory in real-time. Ship swag to anyone, anywhere in just a few clicks. White-glove customer service.

Manage Requests

Let your team request the swag they want for their prospects and customers. You control approval and we handle shipping, tracking, and delivery.
