

THE MANY WAYS PEO CLIENTS EXPERIENCE ROI

Insights captured from the ADP TotalSource® research report

ADP recently conducted a research study to gain greater insight into the ways ADP TotalSource delivers return on investment (ROI) for its clients.

Cost savings ROI

of clients said ADP TotalSource provides a measurable return on investment (ROI) or added value to their organization.

Global head of HR

"ADP TotalSource has saved us about \$200,000 per year if we had to go on our own."

HR manager

"We've saved around \$50,000 a year using ADP TotalSource."

CFO

"I would quantify ADP TotalSource as helping us in costs avoided, as well as diminished distractions for our executive team."

Payroll and onboarding ROI

Over 70% of respondents said they reduced the time they spend on payroll processing and employee onboarding.

Senior finance and accounting manager

"We've saved 80% on payroll processing time."

HR administrator

"We cut the time we spend on payroll and onboarding in half."

HR director

"Our payroll processing time has been reduced by 25%."

HR administrator

"We cut employee onboarding time by 50%."

Operational ROI

Strong partnership begins here

Most clients rate their partnership with ADP TotalSource as seven or higher.

Service department coordinator

"We saved time, money, and energy on numerous HR-related items."

HR manager

"We're able to focus more on strategy and growth because of the time saved via TotalSource."

Service department coordinator

"We've grown more efficiently, with a clear path to progress."

COO

"The time I spent on HR matters prior to moving to ADP TotalSource was double what it is now."

Compliance ROI

CFO

"We're a small employer with multi-state employees, so having the administration and compliance support is very appreciated."

Finance director

"ADP makes it easier to stay compliant thanks to their HR representatives."

HR director

"We've saved time by not having to deal with compliance matters related to multi-state reporting."

Benefits ROI

Numerous companies reported better experience with benefit premiums and improved management of HR-related cost increases.

Director of HR

"Our benefit premiums went down and helped our people immensely."

Controller and CPA

"We saved significant time on choosing our benefit plans and with employee enrollment."

Controller

"Our benefit costs went down when we switched to ADP."

Employee engagement ROI

Global head of HR

"By having employees that don't have to worry about payroll or benefits, it allows us to build a strong culture that people want to stay with."

Financial controller

"Our people are happier using the ADP app to see their timecards and time-off balances."

Head of HR

"If our people experience issues with their benefits, that's demotivating which can lead to other morale issues. That's not the case with ADP TotalSource."
