

## PARTNER PROGRAM

*Built To Monetize. Made For You.*

**BKP365 Connect** is a game-changing solution built for partners to monetize.

The platform uses artificial intelligence to backup, manage and analyze millions of files from one centralized location.

Gain a competitive advantage by selling a superior cloud product that's not currently on the market.

Built on AWS

# Why Sell BKP365 Connect

Our program offers partners a unique opportunity to generate revenue in a crowded marketplace.

## Zero Investment

No up-front partnership fees. Only pay for what you use.

## Customize Features

Cherry pick the advanced capabilities you wish to sell.

## Fully Automated

Spend less time on admin. From payments to invoicing, the entire platform is automated.

## Set Your Own Prices

Start making money instantly, by selling storage and users at a price you determine.

## Easy To Use

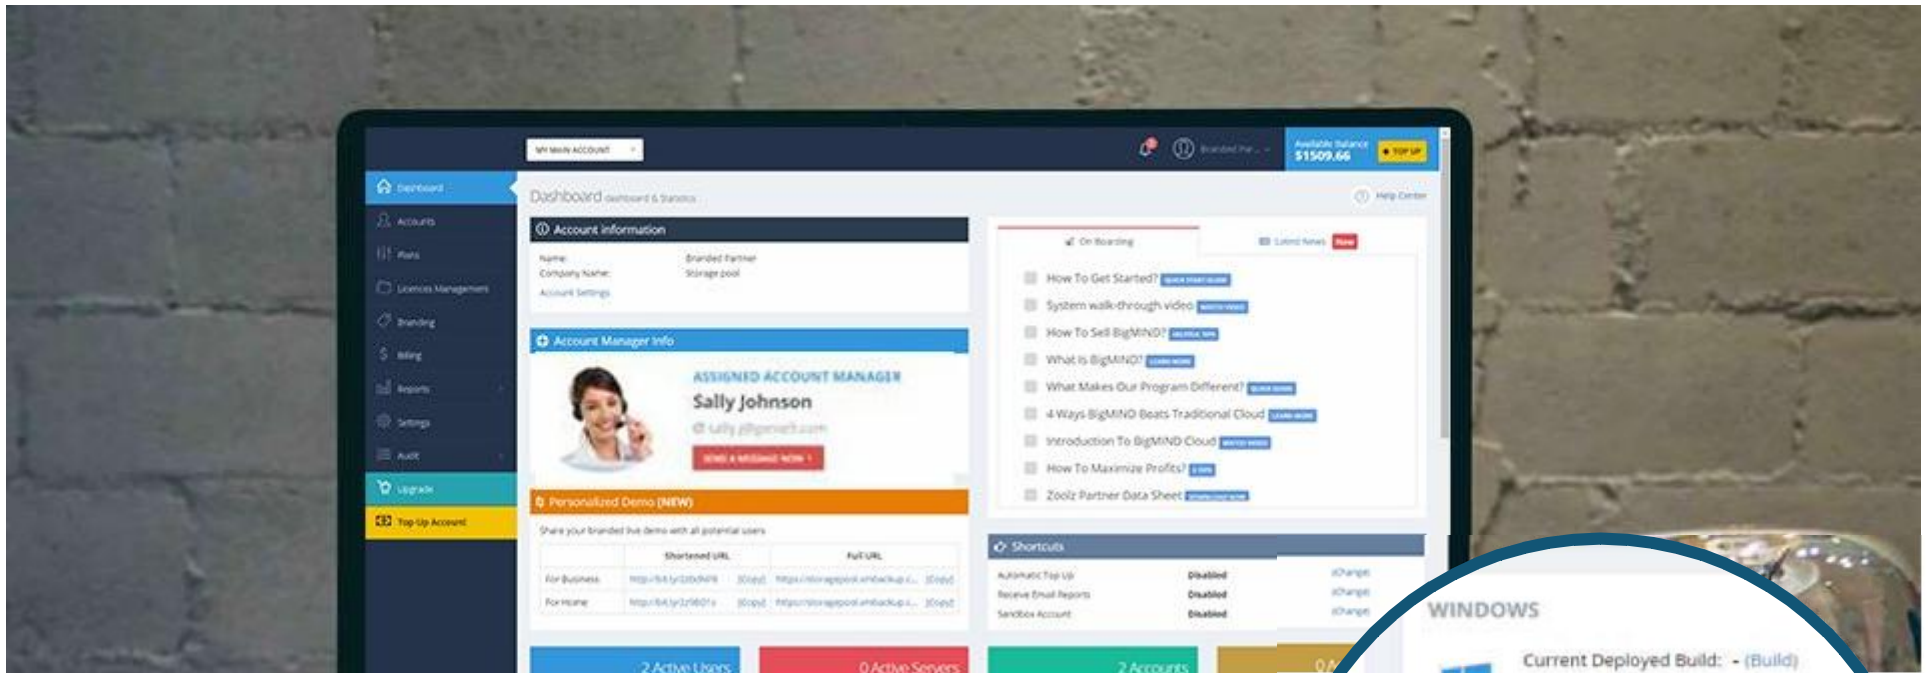

Who doesn't love a user-friendly system?! There is no technical skill required to use **BKP365 Connect**.

## Expand Target Market

Grow your business. Target SMBs and Enterprises within a diverse range of industries.

## What Makes Us Different?

Unlike others, **BKP365 Connect** is built with A.I. This means we've been able to integrate a number of advanced capabilities that you can monetize. Joining our program allows you to benefit from a fully automated and customizable solution. You also get to set your own prices.

Your path to success begins with **BKP365 Connect**. Get ahead of the curve and become a hero to your customers.

# Features You Can Monetize

## Instant Document Discovery

No need to remember filenames. Search files instantly by content and keywords.

## Video Streaming

Stream and share HD and 4K videos on any device, without buffering.

## A.I. Photo Detection

The technology automatically detects the objects within images, allowing you to find them by tags.

## Mobile Backup

Monetize a service that allows your customers to backup their files from their Android and iOS device.

## Storage & Users

Meet the requirements of customers by supplying ultra-secure storage, servers and users.

# Advantages

There are a number of advantages to joining our program. With years of experience and 100s of partners, we understand your needs and how you can best serve your customers.

**Growth in revenue**

**Set your own prices and packages**

**A.I. features to monetize**

**Fully automated platform**

**No long-term contracts**

# Ready To Get Started?

In less than 5 minutes, you can be on your way to a successful and thriving cloud business.

**Elevate your IT service.**
