INTRODUCING

VELOXY

AI SALES ASSISTANT
SOFTWARE FOR SALESFORCE

Keep sales reps selling with our Salesforce-automated revenue growth solution. Eliminate non-selling activities, improve customer experience, and use artificial intelligence and data-driven insights to sell more faster!

Discover a New Level of Salesforce Productivity.

Save hours every day and thousands of dollars every year.

Worry-Free Data Collection

Enjoy peace of mind when your sales activity is automatically logged into Salesforce.

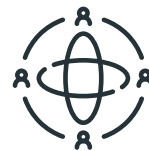

Personalized Engagement

Meet and exceed customer experience metrics with data-driven engagement features.

Effective Virtual Selling

Spend more time with leads and customers when you access Veloxly anywhere, and on any device.

360° Customer Views

Rely on a centralized customer view so you can easily establish collaborative selling.

START EXCEEDING RISING CUSTOMER EXPECTATIONS

All the features you need to proactively engage with leads and contacts in Salesforce.

FIELD SALES CAPABILITIES

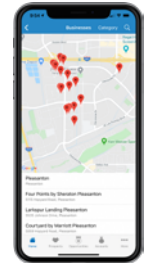

Geo-location Lead Discovery

Field reps can discover, download, and add new leads to Salesforce by using their geo-location.

Proactive Sales Intelligence

Field reps receive 10+ types of AI-driven sales notifications to help accelerate and shorten their sales cycles.

INSIDE SALES CAPABILITIES

Next-Level Email Tracking

Inside reps are alerted in realtime when an email is opened, by who, on what device, and if it was forwarded.

Proactive Sales Intelligence

Inside reps receive 10+ types of AI-driven sales notifications to help engage with the right person at the right time.

Veloxly Unlocks 35+ New Salesforce Solutions

Email Campaigns & Call Blitzes

Increase selling activity from your smartphone without looking for emails or numbers.

Followup Wizard

Take the guesswork out of sales with automatic task and sales activity creation.
