Save time and money

Say goodbye to time-consuming support calls from participants, the long nights of sorting through entries manually or trying to communicate with specific entrants or judges.

All the benefits of SaaS

A ready-to-go and highly configurable platform, with regular innovations and improvements.

Trusted worldwide

With flexible design and configuration, Award Force works with a wide range of industries and sectors.

The world's most secure awards management platform

Multi-factor authentication

Encrypted data

Multi-tier backups

Role and permission based access control

Secure credit card payment portals

Server security

Make the right first impression

The screenshot displays the homepage of 'The Grand Audience Chamber', an award force demo. The header features the organization's logo and name. The main content area is divided into several sections: a 'Preferred language' selector with options for English, Deutsch, and Español; a 'Chamber Awards' section with a 'Start here' guide; a 'Log in or register' section with a form and social login options; and a 'How to enter' section with instructions and a 'Download sample entry PDF' link. A 'Social Creative Awards' section is also visible, featuring a grid of colorful geometric icons. The background of the page is a collage of abstract shapes and colors, including a large pink circle and a yellow and blue background.

Let your brand shine

Configure the look and feel of Award Force to match your brand and ensure visibility for your sponsors. No coding required.

Configure headers, footers, colours of elements on page and the PDFs sent from the system, all to match your brand.

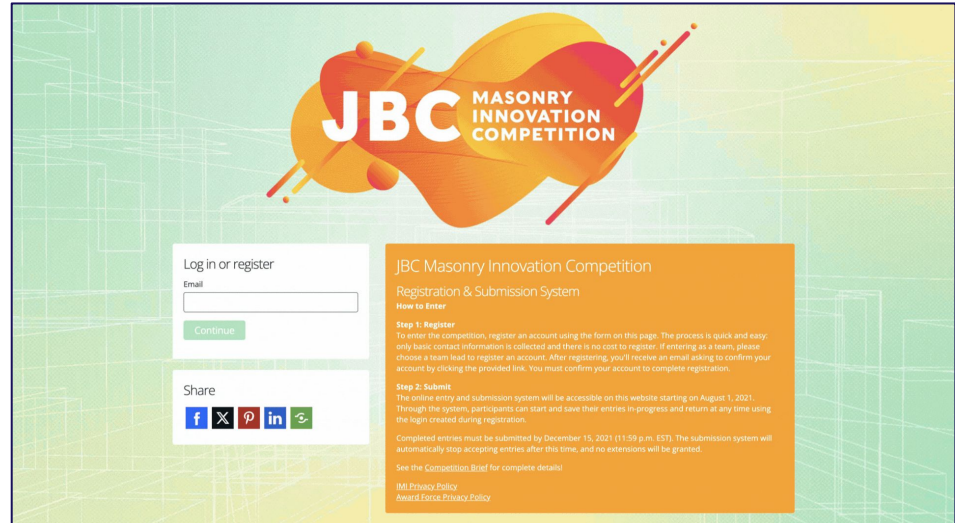

Enjoy responsive design perfect for any screen size.

Use one of our white-label domains (yourbrand.awardsplatform.com) or your own domain, all encrypted for security and the integrity of your brand.

Add dynamic content with options to add video and images to the platform.

Decrease support calls + increase submissions

Easy click-through tabs where you control tab names and data collection

Save-as-you-go functionality

The screenshot shows a web form for 'Stone + Concrete Architecture' with several callouts highlighting key features:

- Easy click-through tabs where you control tab names and data collection:** A callout points to a navigation bar with tabs labeled 'Start here', 'Criteria', and 'Attachments'.
- Save-as-you-go functionality:** A callout points to 'Save + next' and 'Cancel' buttons at the bottom of the form.
- Contextual information for entrants:** A callout points to the title 'Stone + Concrete Architecture' and the introductory text: 'Entries accepted for architecture and design projects with significant use of stone and/or concrete as primary finishing materials. Projects must have been completed within the last 18 months. The entrant must be from the lead architecture / design firm responsible for the project, or provide a letter of approval from the lead firm.'
- High visibility for sponsors on registration, entry and judging pages, which can also be set at the chapter and category level:** A callout points to a logo featuring a stylized pen nib inside a circle.

The form includes a video player showing a registration screen, a 'Project commencement date' field with a tooltip: 'If your project planning commenced in December of 2018 in preparation for 2019, your entry is eligible.', and a 'Please select a date anytime within...' instruction.

A platform your judges will love

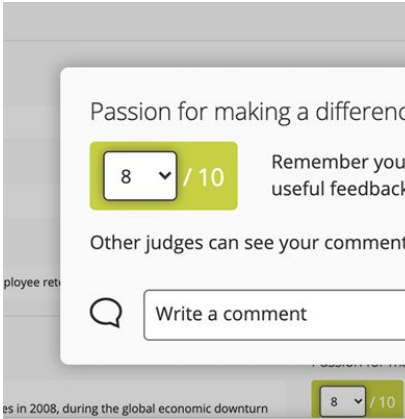

Award Force delivers a seamless experience for your judges, with **four distinct online judging modes** to use individually or in combination. Each is designed to be quick, friendly and easy to use for judges. A beautiful interface presents entries in their best light.

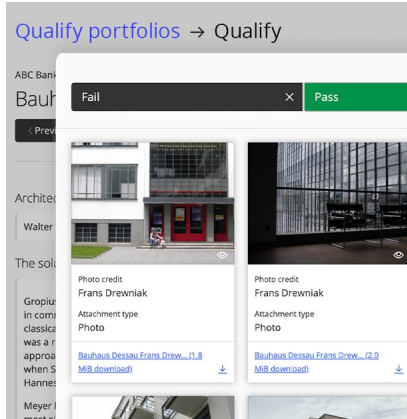

A platform your judges will love

And you control who gets access to what area of judging, and when.

Need help?

A fast way to filter entrants and send communications, all from within Award Force

Send communications right from the platform

The screenshot shows the 'Manage entries' interface in the Chamber Awards platform. The top navigation bar includes 'Chamber Awards', 'Manage', 'Enter', and 'Judge'. The left sidebar contains navigation options: Dashboard, Guides and tours, About, Entries, Galleries, Review flow, Judging, and Settings. The main content area is titled 'Manage entries → New broadcast' and includes the following sections:

- Recipients:** A status indicator shows 'Status: entries.status.in progress' with a close icon.
- Sender:** A form with 'Sender name (optional)' containing 'Debbie' and 'Reply to email (optional)' containing 'debbie@chamber.com'. A checkbox 'Send a copy to myself' is checked.
- Message:** A form with 'Email subject' containing 'Submit entries' and 'Email body' containing a rich text editor with the text: 'Dear participant, This email is to to remind you to submit your entries before 24 September 2022. Organisation Team'.
- 1 users (1 total emails):** A table with columns 'Name' and 'Email' containing one entry: 'Debbie'.
- Options:** Radio buttons for 'Send only one email per user' (selected) and 'Send one email per entry'.
- Legal basis for sending email:** A dropdown menu with 'Freely given consent by user' selected and a link 'What does this mean?'. A 'Need help?' button is visible on the right.

Save time + increase entries with quick email broadcasts to remind participants about deadlines or to communicate with judges, entrants and program managers

Don't just take our word for it

The Award Force platform is **the best in its class**. It has streamlined many of our critical processes, increased efficiencies, and added professional-looking functionality. All of this with amazing customer support.

Jocelyn Luciano

Summit International Awards

Goodwill in our line of business is incredibly important. We deal with CEOs and Presidents of major hotels, architects and interior designers globally and all of these people use, and are exposed to, our award system. Award Force's system reflects well on us and our brand is definitely enhanced as a result.

Amy Wright

Mondiale Publishing

We have received more entries than any previous year

of the Awards and have received nothing but positive feedback from our entrants ... The time (and headaches!) I have saved this year has been amazing - it just all happens in the background while you keep a watchful eye on the dashboard and smile.

Ped Briggs

The Wilson Organisation

We **love** this platform! So easy to customize.

Saved so much time and support was **spot on!**

Jennifer Gervais

Getting started is easy

Program discovery

Your Award Force client success manager will welcome you and ask for: preferred program URL, planned open entries date, account theme preferences (branding, colours + logo) and preferred payment gateway for paid submissions.

Training + configuration

You'll receive access to your Award Force account and our extensive Help Centre. You are now ready to start your self-paced configuration!

Pre-launch check

When you are ready, we will run through your account with a fine-tooth comb! We will check everything and provide suggestions to make sure your program is in great shape to launch.

01

02

03

04

05

06

Create account + orientation

We will create your account and provide you access to our support resources. Then, we will arrange an orientation to discuss your program needs, answer any questions and explain the next steps.

Consultation

If you need any help, you can arrange a consultation session any time during your configuration. We will review your objectives, make recommendations and guide you to the right training materials so you can get the most out of Award Force.

Go!

It's time to start accepting entries! If you need anything else, be sure to check the *Need help* tab on the right-hand side of the screen.

We're your Award Force

Award Force is not just our software, it's our passion

We want to ensure your program success by being there for you when you need us— every single time. Clients can take advantage of our **comprehensive Help Centre** full of helpful **how-to videos and articles**, reach out via email or submit a support ticket. **We're available 24/5**, no matter where in the world you are located.
