

MATCHING GIFTS & MORE:

A Deep Dive Into Double the Donation's Workplace Giving Database

Thousands of organizations offer workplace and corporate giving programs designed to support nonprofits like yours. However, every company has its own guidelines and eligibility requirements, making it challenging to keep track of all the opportunities available.

Our industry-leading database includes detailed information on **more than 24,000 companies**, helping your team quickly uncover eligible supporters, connect them to company-specific next steps, and maximize revenue from corporate giving programs.

That means you can make the most of **matching gifts, volunteer grants, payroll giving, corporate grants, in-kind donations, and more.**

Increase fundraising revenue with matching gift insights

Automate your outreach by giving donors detailed eligibility information and direct links to submit matching gift requests

Grow support with volunteer grants and incentives

Turn volunteer time into funding. Provide supporters with clear eligibility details and easy access to submit their grant requests.

Tap into recurring support with payroll giving

Our database identifies recent supporters eligible for payroll giving, making it easier to secure consistent, recurring revenue.

Maximize growth with in-kind donations and corporate grants

Supercharge your fundraising with corporate grants and in-kind opportunities by finding companies that are supporting nonprofits.
