

### EFFICIENCY FOR BETTER EDUCATION

Automate routine tasks, allowing staff to focus more on what matters

### COST-EFFECTIVE

Reduce administrative costs by minimizing the need for extensive manual processes

### FULLY CUSTOMIZABLE

Tailor workflows to the needs of your educational institution

## FINDING ZEN IN EDUCATIONAL WORKFLOWS

Transform your educational operations with Zenphi, a no-code automation platform that brings simplicity and efficiency to your processes. Enhance both operational performance and the educational experience with tailored solutions, enabling you to find the Zen in every workflow.

### Streamline IT and Security Operations

#### INCIDENT & DEVICE MANAGEMENT

- Automate incident reporting. Manage and secure devices, including Chromebook lock-ins

#### ADMIN TASKS AND EVENTS

- User lifecycle management automation (including creation, suspension, and deletion of student and staff accounts)

#### SECURITY AND COMPLIANCE

- Turn files sharing audits, compliance checks & security tasks into streamlined workflows

### Leverage AI-Powered Document-Centric Automation

#### GENERATIVE AI FOR DOCUMENTS

- Automate AI-driven creation and sharing of certificates, agreements, cover letters and more

#### PURCHASING AND VENDOR MANAGEMENT

- End-to-end purchasing process automation: from approval to vendor invoice matching and processing

#### COMPREHENSIVE REPORTING

- Generate, approve, and distribute reports from school databases as needed (scheduled, ad hoc, etc.)

### Enhance Communication and Approval Workflows

#### EDUCATIONAL AND STAFF COMMUNICATION

- Set parent-teacher and replacement teacher communications on auto-pilot

#### EVENT AND EMERGENCY MANAGEMENT

- Send event reminders, emergency alerts, collect student feedback automatically

#### APPROVAL WORKFLOWS

- Automate multi-level approval processes like expense reimbursements, field trips approvals, etc.

Robert Meyer,  
Teacher, S.E. Wagner High School, NYC School District

Mostly due to Zenphi, we went from 46% compliance rate to 98%. It also allowed us to enhance efficiency across all school operations.
