MAPOG for Real Estate Developers

 Present Smarter. Sell Faster.

Introducing MAPOG

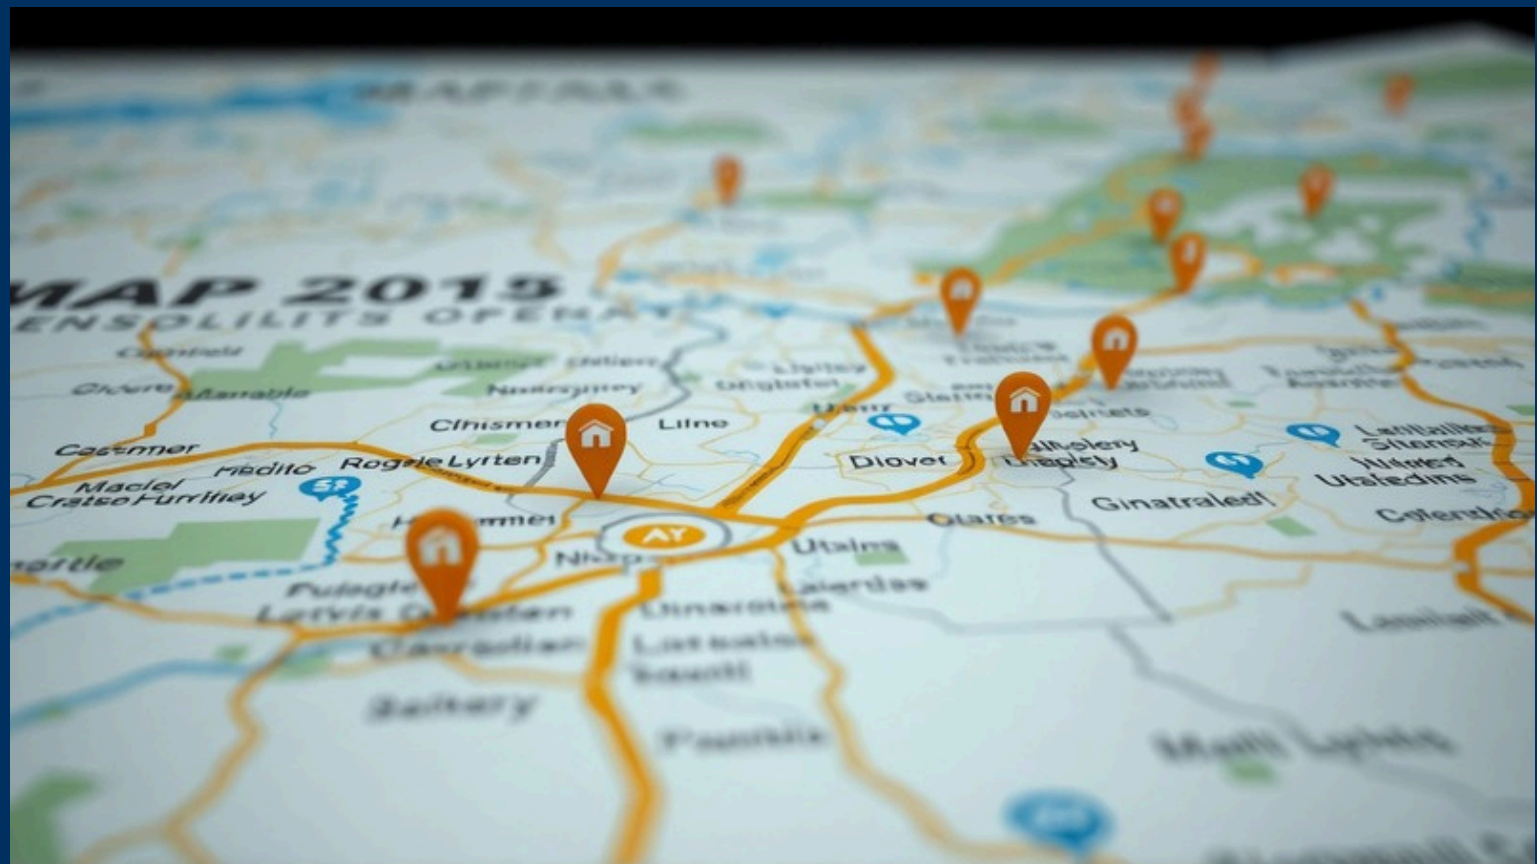

MAPOG is an **AI-powered tool** that transforms how developers:

- Present projects across **categories**: Residential , Commercial , Investments
- **Enable filters** for price, location, unit types
- Add **Images, Videos, price & Social Media Platforms**
- **Highlight nearby infrastructure**: metros, highways, schools
- **Share via one link**—on your website, WhatsApp, or social media

Problem I : You've Built a Great Property. But Are You Presenting It the Right Way?

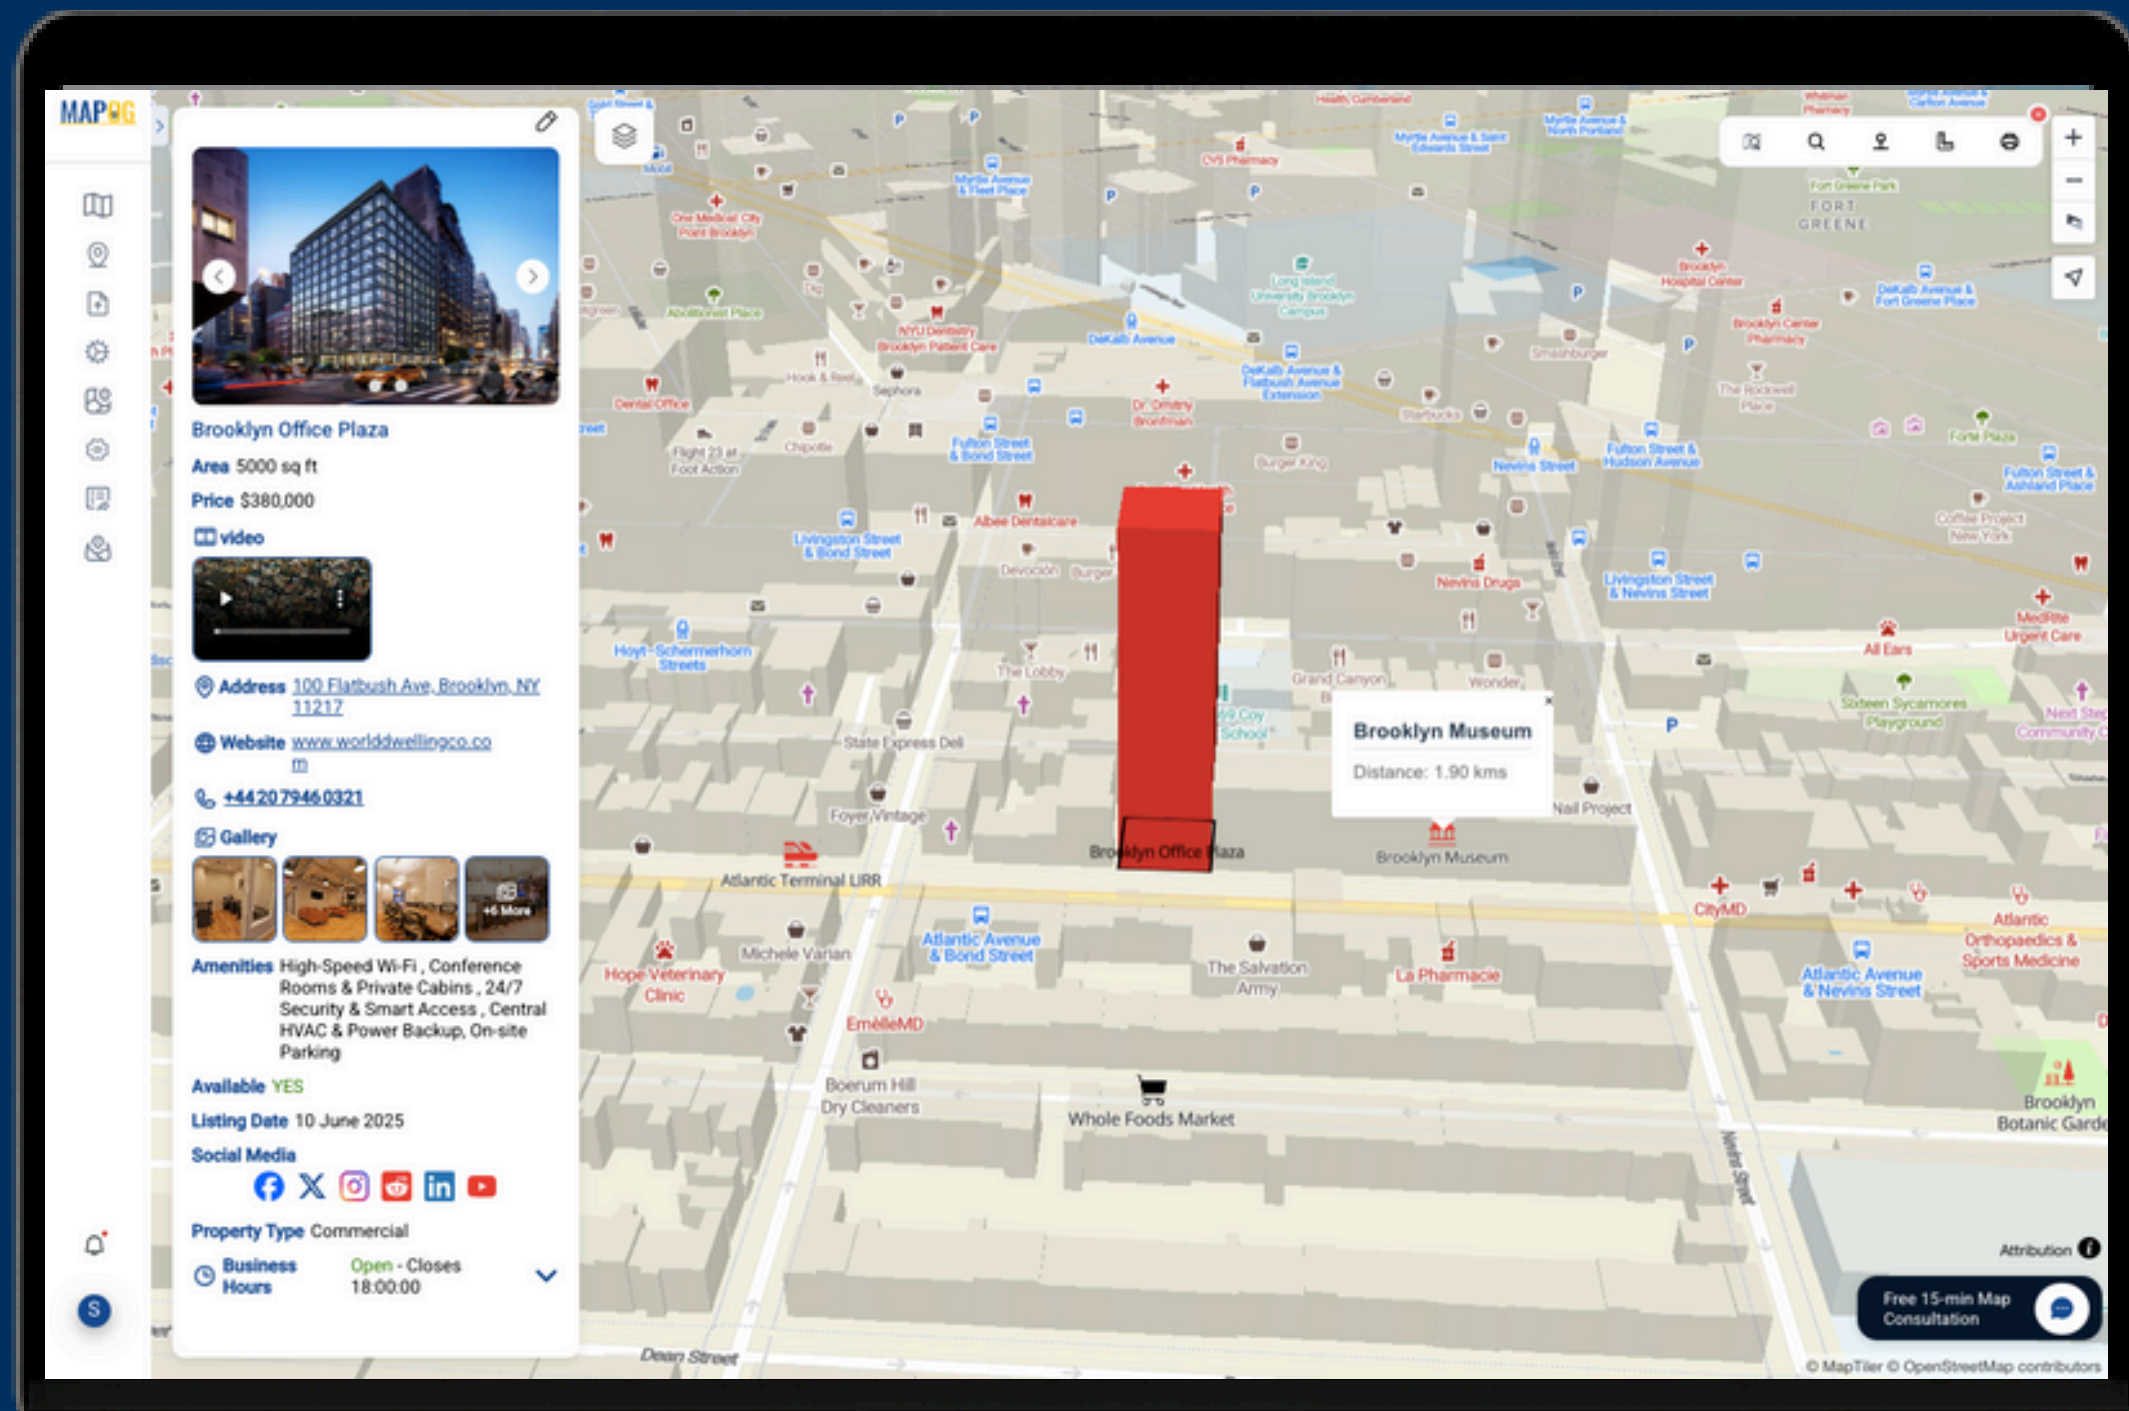

Great projects need more than just pins , Images and Videos

Today's buyers want:
Location with context
Visuals that stand out
A story in one view

Scattered info loses interest.

MAPOG: One Smart Map. All the Details.

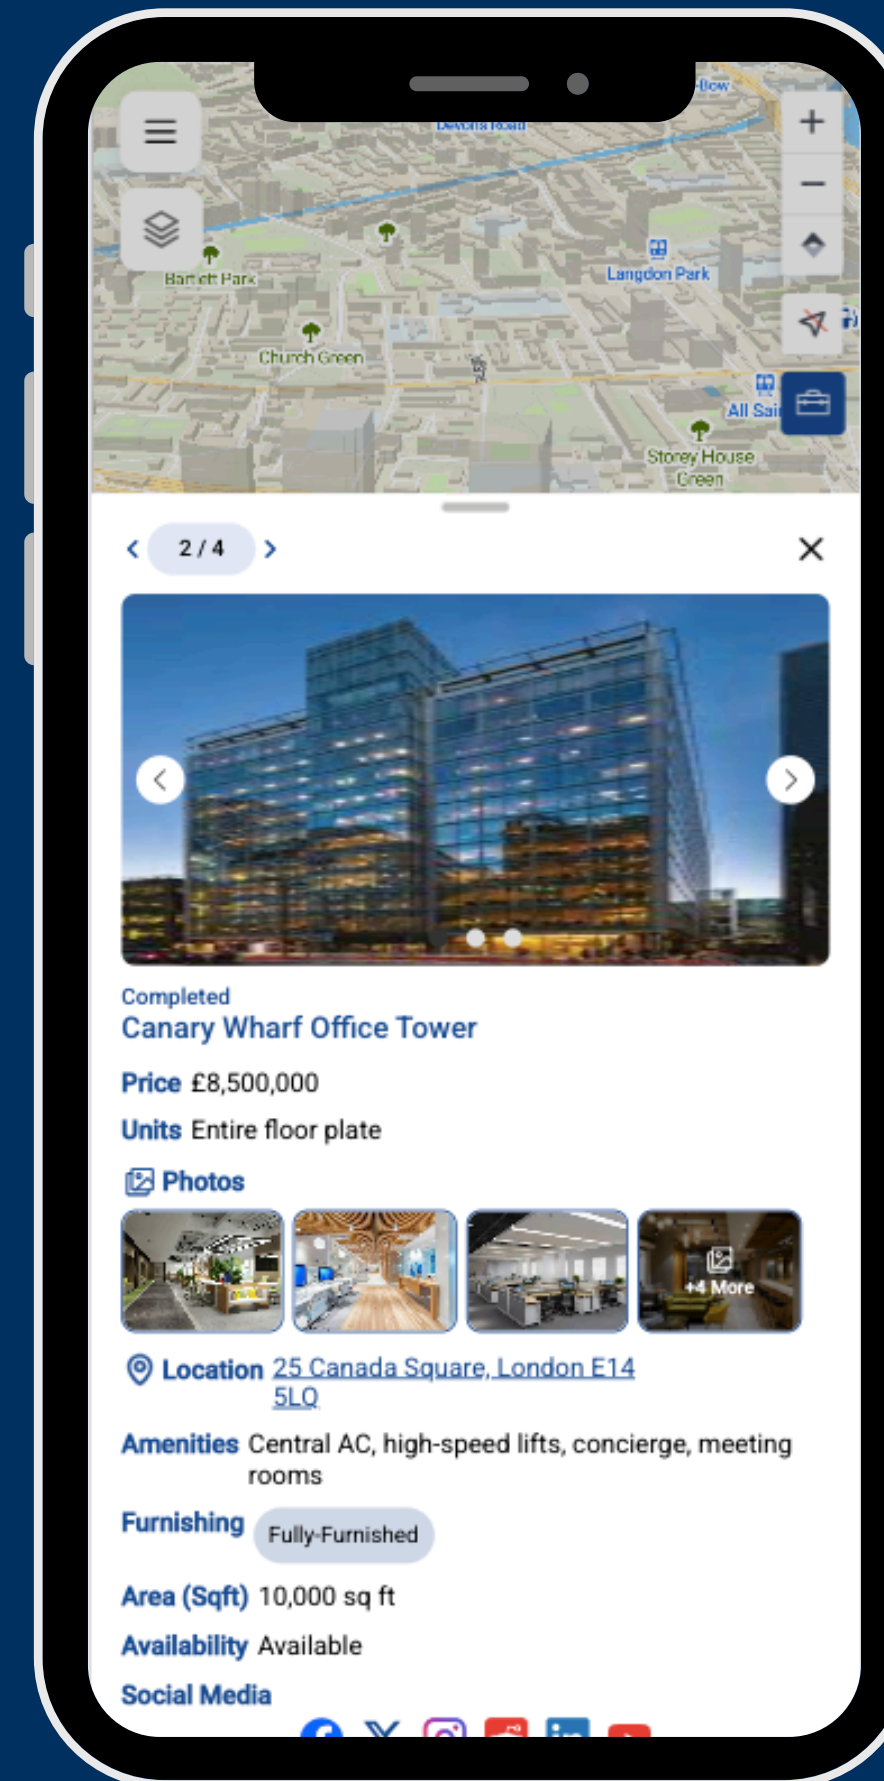

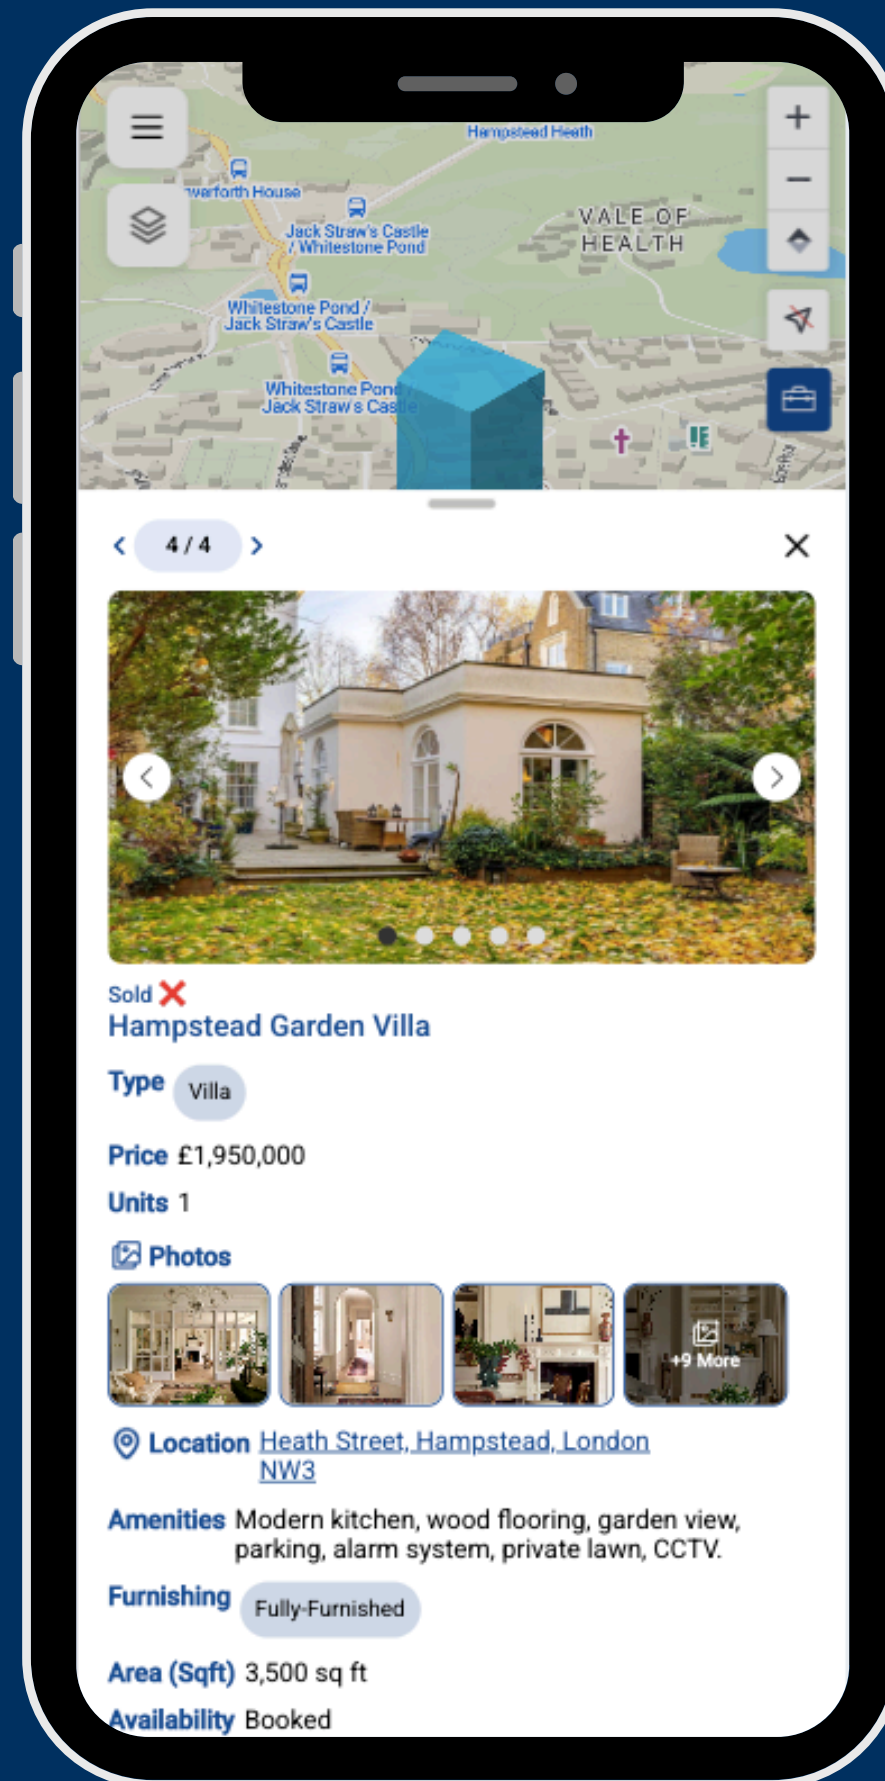

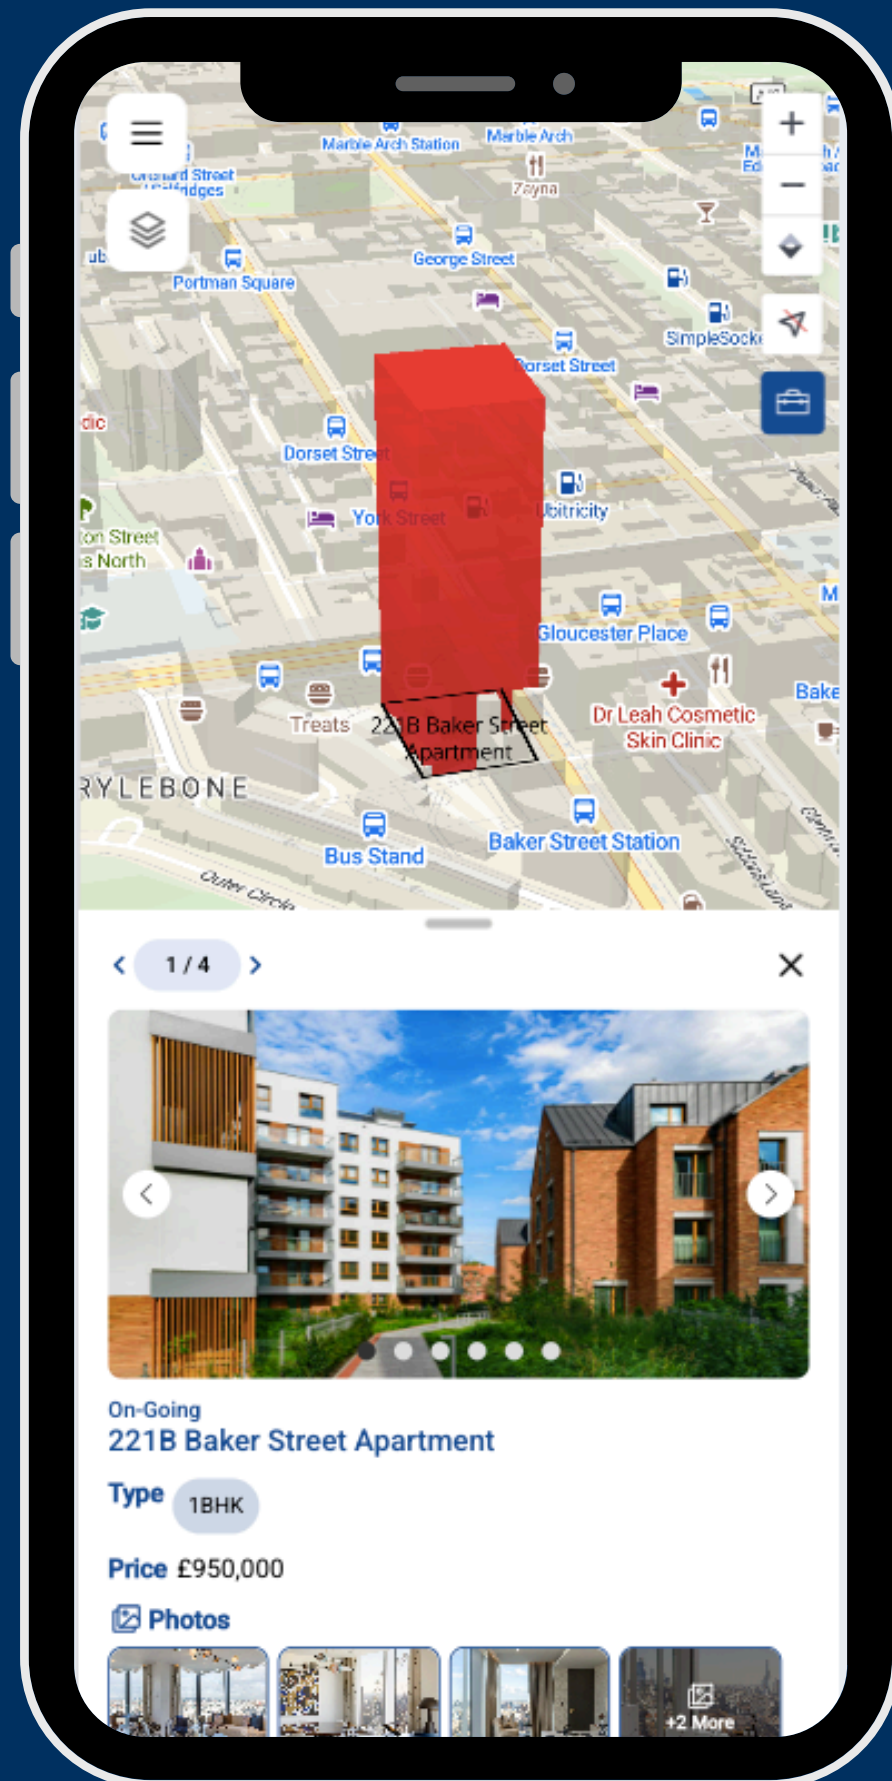

Present your property beautifully — with every detail in one interactive view:

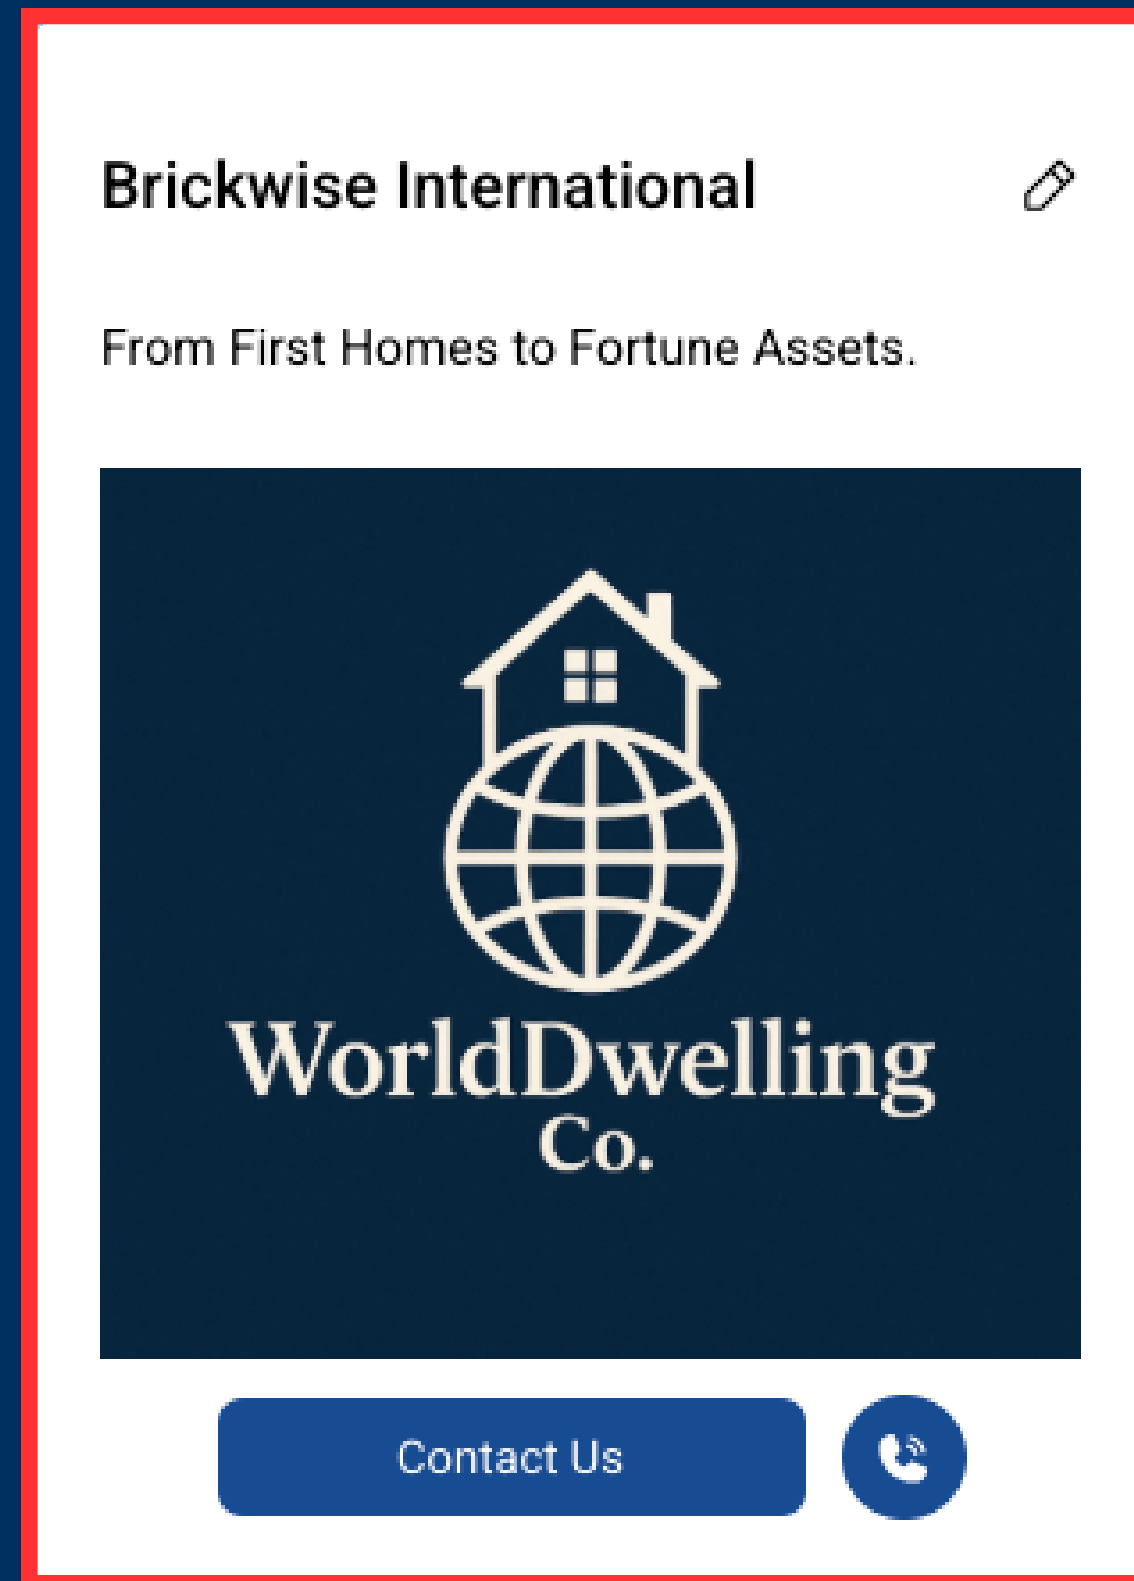

- ✓ Photos, Videos, Pricing, Contact
- ✓ Nearby Schools, Malls, Hospitals
- ✓ Viewer/Editor Access Control

Your project. Mapped beautifully.

Edit Anytime

The image shows a mobile application interface for editing a location listing. On the left, a white panel titled "Edit Polygon" is overlaid on a 3D map of Brooklyn, New York. The map shows a red polygon highlighting a building labeled "Brooklyn Office Plaza". The interface includes the following sections:

- Select Category:** Three options are listed: "Residential" (unchecked), "Apartments" (unchecked), and "Commercial" (checked).
- Add Polygon title *:** A text input field containing "Brooklyn Office Plaza".
- Add description (opt.):** An empty text input field.
- Upload image/logo (opt.):** A section with a "Take picture" button, a share icon, and the text "Drag or browse image/logo". Below this are three image thumbnails.
- Select Polygon type:** A section with the text "Add a point functionality, to be more specific about the plotted location type" and a text input field.
- Save:** A blue button at the bottom of the panel.

The map in the background shows a grid of streets including Bedford-Norland Avenues, Clinton-Washington Avenues, Lafayette Avenue, Fulton Street, Nevins Street, Pacific Street, Myrtle Street, Franklin Avenue, and Atlantic Avenue-Barclays Center. A search bar and navigation controls are visible in the top right corner of the map.
