

XAPT

*new frontier group*

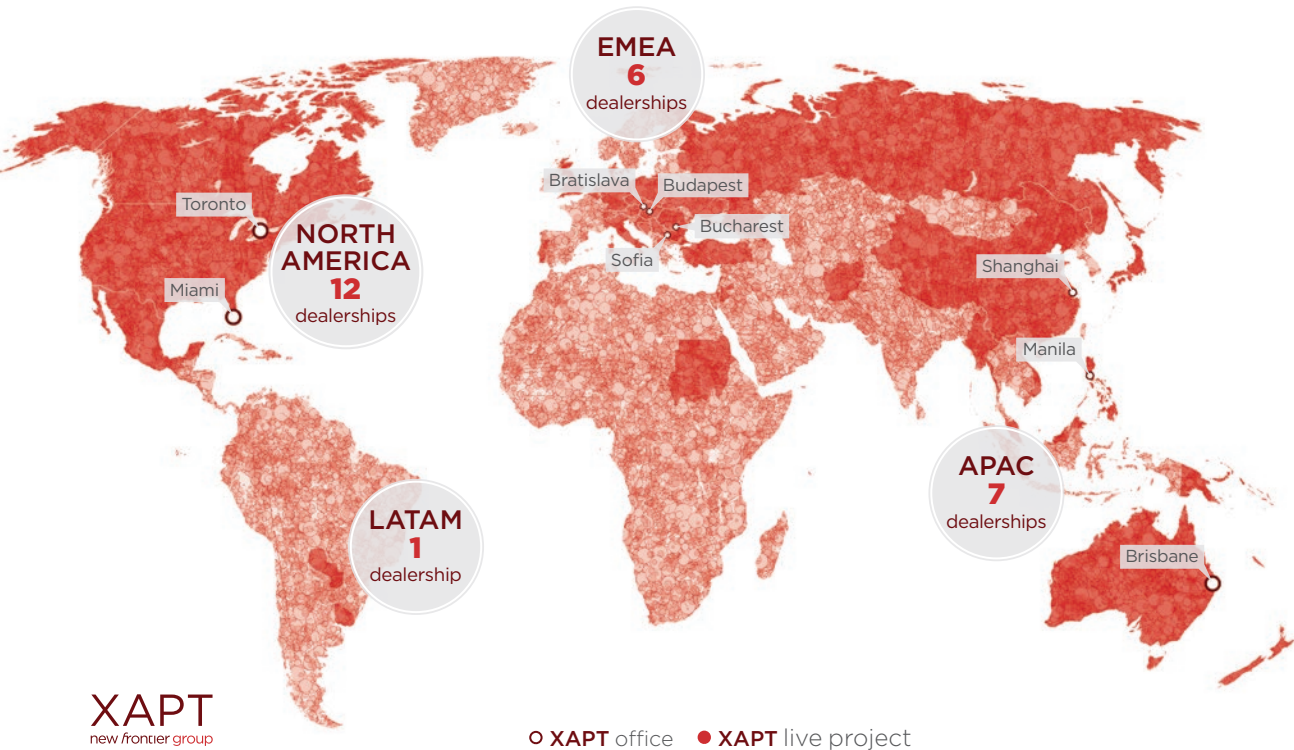

As the leading global provider of specialized business services for equipment dealers, XAPT delivers sustainable value through consulting, software and IT implementation. Possessing more than sixteen years of experience and industry expertise, XAPT maximizes its vast technology resources, unrivaled industry knowledge and deep Microsoft expertise to deliver increased productivity, simplification of business processes, project acceleration and a true competitive advantage to our equipment dealer partners.

Our more than 450 team members in 9 countries apply our industry knowledge and best practices to provide Microsoft Dynamics AX for Equipment Dealers, Customer Relationship Management (CRM) and technology solutions; providing effective support to dealers in standardizing and implementing integrated business solutions according to their unique industry requirements. In addition, XAPT provides consulting, software development, project management, training, system integration and support services to domestic, regional and international dealerships.

XAPT's highly qualified experts have extensive experience and knowledge in the equipment distribution industry. XAPT has the expertise required to deliver comprehensive solutions, built on the Microsoft Dynamics platform, to match dealer specific needs.

# International Experience, Industry Expertise

**XAPT** Group, established in 2000, currently has offices in the US, Canada, Australia, Hungary, Romania, Bulgaria and Slovakia. XAPT's customers include many mid-sized and larger equipment dealers throughout the Americas, CEE, EMEA, Africa and Asia Pacific.

## Market Leader

XAPT has been serving equipment dealers for more than a decade. XAPT's market growth can be attributed to its extensive professional and industry expertise, its worldwide resources and its proficiency in solving dealers most challenging business and technology issues.

# Our Customers

*"Now, we can grow and accomplish more without adding resources. Microsoft Dynamics AX delivers far more for our technology spending than what we used to have. We moved from a dead-end street to a wide-open road where we can advance as rapidly as we wish."*

Nick Kelly  
Dealer Principal and Owner of Kelly Tractor Co.

## SOME OF OUR CUSTOMERS

# NAXT Microsoft Dynamics AX for Equipment Dealers

**NAXT** – Microsoft Dynamics AX for Equipment Dealers represents an industry-specific, “end-to-end” business solution for equipment dealers and is unmatched in the equipment distribution industry.

The solution offers an outstanding combination of functionality, flexibility, integration, affordability, scalability and ROI. The complex structures of equipment dealerships, their suppliers and customers, demand both global and local knowledge. We bring the reassurance of a fully integrated solution, tailored to equipment dealers, with an understanding of regional requirements, delivered by award winning specialists. XAPT provides clients full visibility and control across every branch and subsidiary, wherever their location.

## Rapid Deployment

XAPT’s **SEAL** (Solution to Enhance and Accelerate the Implementation Lifecycle) implementation toolkit for equipment dealers delivers a rapid deployment of NAXT. Dealers can be up and running in a matter of months not years. Utilizing SEAL, your dealership will achieve success quickly and gain from industry leading best practices.

SEAL provides the foundation for all aspects of the implementation from Project Kick-Off to Go-Live.
