

SOCIAL CHAT

Get Personal with Onsite Live Shopping

WHAT WE DO.

At its core, Social Chat empowers brands to forge meaningful connections with customers through Onsite Live Video Shopping. By embedding video into customers' purchase experience, brands create rich onsite communities where customers can converse, connect, and convert.

3 SOLUTIONS.

ONE : MANY

Public live shopping events streamed to many customers at once for maximum reach

ONE : ONE

Private consultations for high value customers that allows for maximum personalization

SHOPPABLE VIDEOS

Pre-recorded video content uploaded as an interactive shopping experience for maximum convenience

RESULTS.

BOOST CONVERSION

Interactive shopping keeps customers on your site longer, boosting revenue and average order value.

BUILD REPEAT BUSINESS

Foster connection with customers by replicating the brick and mortar experience, from anywhere.

ANALYZE FIRST PARTY DATA

An easy-to-use dashboard reports on total revenue, add to cart rate, average order value, and more for each event.

266%

higher purchase rate

5X

ROI

264%

higher average order value
