FINANCIAL SERVICES COMPLIANCE

Stay Compliant Across **Every Jurisdiction**

Financial services firms face complex, overlapping regulatory requirements across multiple jurisdictions. 5Mins delivers bite-sized, CPD-accredited compliance training that covers everything from AML and sanctions to FCA conduct rules and client fund safeguarding — all in just 5 minutes a day.

**Achieve 100% Compliance in 1/3 of the Time**

Micro learning means your team learns faster and retains more.

**Aligned with the Latest Regulations**

Always up-to-date with FCA, MAS, EU, and Canadian standards.

**Global Coverage, Local Precision**

100+ courses spanning 4 key regions with jurisdiction-specific content, as well as globally applicable courses.

**Engaging and Effective**

Boost engagement by 6-10x with gamification and interactive content.

HOW TO USE THIS CATALOGUE

Courses by Topic, Coverage by Region

Our financial services compliance library is organised by topic. Each course shows how regional availability so you can instantly see what's relevant for your teams worldwide. Global courses are also generally applicable across regions.

6 Topic Categories

Legend: ✓ = Available - = Not available in this region

Financial Crime

Prevent, detect, and respond to global financial crime risks. These courses build foundational awareness of money laundering, terrorist financing, fraud, bribery, and corruption — equipping your teams with the knowledge to protect your organisation and customers.
