

Your AI-Powered Engine for Trusted, High-Quality & AI-Ready Data

DATA SHOULDN'T SLOW YOU DOWN

Messy spreadsheets, mismatched documents, inconsistent formats, duplicate records are silently costing your business time, trust, & efficiency. But This Needs To Stop!

MEET MATCHX

The intelligent & AI driven data engine that transforms chaotic, scattered, unstructured data into clean, connected, and decision-ready intelligence. From ingestion to cleaning, matching, validation, and insights — MatchX automates your full data journey, powered by AI at every step. No code. No chaos. Just clarity.

72%

of enterprise data is messy

50%

of time is lost in manual cleanups

\$12.9M/year

average cost of bad data

70%

AI failures start with poor data

How MatchX Helps you?

- Multi-Source Ingestion (Sheets, PDFs, CRMs, ERPs, Docs & more)
- Auto Cleansing, Profiling & Validation
- AI-Driven Matching & Deduplication
- AI-Driven Rule Library
- Live Dashboards & Quality Scores
- No-Code End-To-End AI Driven Workflow
- Use-Case Ready Customizations

AI At Every Step of Your Workflow, To make data handling easier than ever

- Prompt based rule generation
- AI Powered Industry and Column Prioritisation
- AI Driven Algorithm Detection
- AI Based Quality Confidence Scores
- AI Powered Anomaly Detection
- Smart AI Powered Document & Paragraph Matching
- Cross-Dataset Entity Resolution

Use Cases:

Healthcare & Life Sciences

Banking & Financial Services

Retail & E-commerce

Government & Public Sector

Manufacturing & Supply Chain

Pharmaceuticals & Research

How Can We Help Your Unique Requirement?

- Customer & Supplier Mastering
- Document & Invoice Matching
- Healthcare Record Resolution
- Product & Inventory Harmonization
- Regulatory & Compliance Data Prep
- Entity Resolution at Scale
- Financial Transaction & Fraud Detection
- Employee Master Data Management

Why MatchX?

- Because your data deserves better
- Because your AI is only as smart as your inputs
- Because time wasted on cleaning is time stolen from building.

MatchX Impact – What You Unlock

- 80%+ fewer duplicate records
- 3x faster data onboarding & cleanup
- 70% better match accuracy
- 4x more AI-ready datasets
- 100% tracked approvals & data lineage
