

## Event swag made easy

Events are expensive and stressful enough without worrying about swag. Printfection's platform lets you create, manage, and ship buzzworthy swag to your events in a snap.

Coordinating event swag can be painful—but it doesn't have to be.

| • <b>No more swag closet</b>                       | We store your event swag at our fulfillment center     |
| • <b>No more last minute ordering</b>              | See and manage your inventory all online               |
| • <b>No more wasted swag</b>                       | Ship unused merchandise back to our fulfillment center |
| • <b>No more worrying about what swag to bring</b> | Our merch team can recommend trending items            |

Say adios to unorganized boxes. With event packing, all of your apparel arrive neatly rolled and labeled.

### Cool swag that drives real traffic

We can do standard swag but we can also go the extra mile with Converse shoes, headphones, etc.

### Keep track of all your inventory

Have an upcoming event and need to order more swag? We make it a breeze.

### Guaranteed delivery dates

Need swag to arrive on a specific date? We offer guaranteed delivery to your venue, worldwide.

### Reporting & insights

With a click of a button, understand how much you're spending on event swag throughout the year.

### White-glove service and tracking

We'll monitor shipments and alert you ahead of time to any weather delays or other issues.

### Booth & display items

Branded tablecloths, pop-up banners, spin-the-wheel games? We do all that, too.

## Quip saves hours of time on event swag with Printfection

*"Getting swag to events is a cakewalk with Printfection. We always know if we have enough inventory before a big show, and we can get everything shipped in a couple clicks. Night and day difference from how we used to do it."*
