BEYOND SOFTWARE™

CoreUM
Your ultimate meeting application

1. Setup Meeting Details

2. Invite Participants

Your Set Date / Time

What is CoreUM?

Have access to the most feature rich meeting date finder and polling application on the market.

Here's the best part - It's free to use

CoreUM's sole purpose is to simplify the process of deciding on a meeting date and administering polls to your meeting attendees or board members.

Our System is Simple.

Try Out CoreUM Today

Finding meeting dates as easy as 1-2-...

Why CoreUM?

We've built the most feature rich meeting date finder and polling system available on the market.

We're the only meeting system to include quorum & group management and put a singular focus on the user experience.

The result is the most feature rich solution on the market while still being a simple 2 step process.

Features

- Custom Branding
- Document Uploads
- Easy Polling
- Quorum Tracking
