

SEARCH WHAT,
NOT WHERE.

GO PAPERLESS WITH OUR COMPLETE
DOCUMENT COLLABORATION SOLUTION

**80% OF THE INFORMATION
EXISTS IN PAPER OR
ELECTRONIC DOCUMENTS
ISOLATED ACROSS DIFFERENT
DEPARTMENTS.**

ABOUT GREENBOX

greenbox is a powerful, secure and easy to use web-based document collaboration solution that converts your organization into a green & paperless workplace. With efficient features to tag, search and organise your files, finding a document is effortless & a child's play with **greenbox**.

With all your files in one place, it helps you track, share, store, and manage your documents and files easily.

WHY GREENBOX

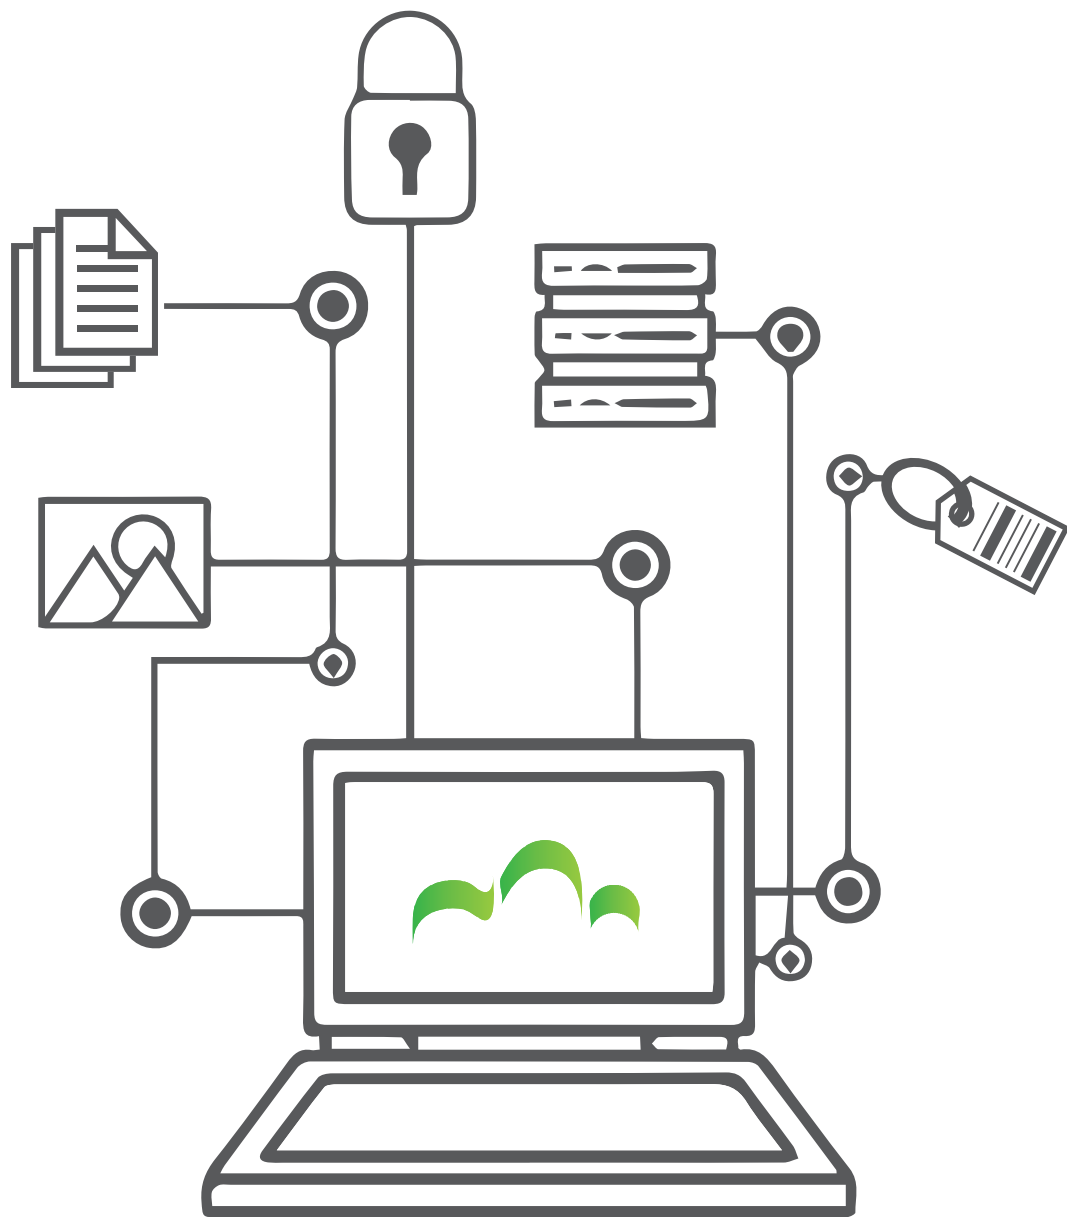

30% of an employee's time is spent in searching document and specific information it contains.

80% of the information exists in paper or electronic documents isolated across different departments.

Effective collaboration amongst teams increases productivity of organizations exponentially.

greenbox is your electronic vault, protecting you from unsafe and unsecured incidences, damages and data breaches.

LESS PAPERWORK,
FASTER TURN AROUND TIMES.

DOCUMENT SHARING

Share entire documents or sub-sections with individuals or groups, at the same time maintaining granular control over the actions on the shared document. Define the expiry of your shared file link to keep it more secure.

SECURITY

No tampering, damaging or misplacing of documents with highly secure and encrypted capabilities keeping away threats like ransomware. Ability for system admin and users to control the file sharing through roles and permissions well-defined for safe and secure sharing of files.

CLOUD STORAGE

Never lose any document. Get a secured cloud location that serves as the central repository where you can put all your documents and files.

METADATA

Add custom metadata to organize and search your documents.

POWERFUL SEARCH

Search through Open text, OCR and metadata to find documents instantly.

VERSIONING

Track document version history and restore any previous version. With audit trail, keep a track of actions performed on the documents.

NOTIFICATIONS & REMINDERS

Get notified when document is modified or shared. Set reminders on documents that require attention later.

PAPERLESS OFFICE

Go Paperless, Go Green. Get **greenbox**
