The Integrify Platform

Integrify's platform provides a powerful process builder, an intuitive and flexible form designer, a customizable self-service portal and full reporting and dashboards. Administrators can build an unlimited number of custom workflows with sophisticated rules and routing as well as user-friendly forms with complex logic.

Representative Clients

Integrify's solution is used across a wide variety of industries including Finance, Life Sciences, Education, Telecom, Manufacturing, Business Services and many more.

- ✔ AT&T
- ✔ Abbott Laboratories
- ✔ BJC Healthcare
- ✔ BP
- ✔ Baylor University
- ✔ Childrens Health Services of Texas
- ✔ Eli Lilly
- ✔ GlaxoSmithKline
- ✔ Kaiser Permanente

Integrify has been shown to reduce workflow operations costs by more than 30%, cut request and approval cycle times in half, and deliver positive ROI in less than 3 months.

"Integrify allows us to move a few thousand feet above the day-to-day. The system automates the day-to-day so we can focus on improving service management."

Neil Weitz
Director of IT, GlaxoSmithKline
